

Merle Guild Post Host To Palatine Legionnaires

It Was a Big Night
and a Varied Program
For Ex-service Men

Tuesday night at its regular meeting, Merle Guild Post of Arlington Heights, had one of its best and largest attended meetings in its history. There were several reasons for this, one of which was that the local Post was host to the American Legion Post of Palatine. A large number of the boys from Palatine were on hand including Commander Rose, area chairman Larry Inkster, and several past commanders and officers.

Other distinguished and special guests were past commander of the 9th district, George Rohde; Wally Geisser, a former member of Merle Guild Post, now living in Rochester, N. Y.; and Wally Ward, a vaudeville and radio star, a friend of Commander Rose.

Past Commander Rohde gave a short interesting talk on the American Legion National Convention held in Chicago last September, complimenting the local Post for its cooperation in sending several very good men to act on various committees. Wally Geisser said that the American Legion Posts in the East don't compare with Merle Guild Post for enthusiasm and comradeship.

Two new members were voted in making the present total membership 107 equal to the all time high membership record of the Post. This splendid record is due to the efforts of Sr. Vice Commander Paul Carroll, membership chairman.

"And," says Carroll, "we have just started." It looks like the membership will reach 125 or more before the year is over.

The Post voted to donate \$10.00 to the Arlington Heights Trade & Civic Association to help defray the expenses of the Christmas lights of the Village, as it did a year ago.

After the meeting, Commander Marion Grigsby showed some fine moving pictures of his family's trip to Cuba and through the Panama Canal which he took with his own camera. Grigsby explained the pictures in detail and they were very interesting and instructive.

Chicken soup a la Stettin, was prepared and served by Junior Vice Commander Clarence Stadler and the way the boys went for it, it must have been good. Despite the large crowd, there was plenty for all except one fellow was refused his fourth helping.

When through eating, the boys were entertained by some piano music by Wally Ward, the vaudeville and radio star. As an unexpected and unprepared novelty number, a few piano duets were played by Ward and Past Commander Les Griffith, including such classical numbers as "The Bear Barrel Polka," "Oh, Johnny, Oh," etc. The boys seemed to prefer this classical music to the popular as enjoyed immensely by all present.

Following the impromptu program, the boys indulged in various games including the famous Knights of the Round Table which seemed to be the most popular. As the boys were in a playful mood some of them even played baseball. A number of the players struck out while others were put out of the game. It was an extra inning game and finally broke up when one of the heavy hitters hit a home run with five on base just as the milk man drove by. "Push-em-up" Commander Tom Anaston was way off form, making only one hit out of 22 times at bat and committing six errors.

All told, a good time was had by all as it was a successful meeting from beginning to end. Much credit for its success belongs to Commander Elmer Crane of Merle Guild Post and his capable staff of officers. "We have one of the finest Posts in Our District," said Commander Crane. "A wonderful bunch of fellows working together for the benefit of the community, State and Nation."

Religious Work At Manteno, Endeavor Topic

The Rev. Christian Adam, chaplain of the State hospitals for the insane at Manteno and Kankakee, will speak on his spiritual work in these institutions at the Lutheran school hall Wednesday, January 17, 8 p. m. He will illustrate his lecture with a new movie prepared by him.

This lecture is sponsored by the Women's Mission Endeavor of St. Peter's Lutheran church Arlington Heights. It will be given as the chief attraction of their mission meeting. Another feature of the program will be a topic discussion on the subject "Essentials of Christian Giving" led by Pastor H. C. Fricke.

The following members of the Endeavor are speaking on various points of the topic: Mrs. H. C. Landeck, Mrs. A. Weinrich, Sr., Mrs. C. Heidorn, Mrs. Ernst Weinrich, Mrs. Ed. Sander, Mrs. Gilbert Wilke.

All friends of missions are cordially invited to spend a profitable evening learning about the subject of Christian missions.

The Endeavor committee kindly requests all who have mission nite boxes to bring them to the meeting.

BERNICE VAN DER VRIES

State legislator who will address Arlington Heights P. T. A. Tuesday evening.

State Police Ignores Palatine

As far as some of the state police are concerned there isn't a place called Palatine on the map.

Sunday when a car skidded on the curve at route 52 and the Northwest highway within the village limits of Palatine and crashed into a telephone pole injuring the occupants, the state police took the injured persons to a hospital in Des Plaines, 10 miles away instead of taking them a few blocks to the Palatine Community hospital.

When the police returned to the scene of the accident they brought along a tow truck from some far away location, although plenty of tow trucks available a few blocks away.

Evidently some of the state police don't even know that Palatine is on the map despite the fact that some of our good Jeffersonians kicked in twenty-five bucks a plate for the big democratic dinner Monday night.

The Post voted to donate \$10.00 to the Arlington Heights Trade & Civic Association to help defray the expenses of the Christmas lights of the Village, as it did a year ago.

After the meeting, Commander Marion Grigsby showed some fine moving pictures of his family's trip to Cuba and through the Panama Canal which he took with his own camera. Grigsby explained the pictures in detail and they were very interesting and instructive.

Chicken soup a la Stettin, was prepared and served by Junior Vice Commander Clarence Stadler and the way the boys went for it, it must have been good. Despite the large crowd, there was plenty for all except one fellow was refused his fourth helping.

When through eating, the boys were entertained by some piano music by Wally Ward, the vaudeville and radio star. As an unexpected and unprepared novelty number, a few piano duets were played by Ward and Past Commander Les Griffith, including such classical numbers as "The Bear Barrel Polka," "Oh, Johnny, Oh," etc. The boys seemed to prefer this classical music to the popular as enjoyed immensely by all present.

Following the impromptu program, the boys indulged in various games including the famous Knights of the Round Table which seemed to be the most popular. As the boys were in a playful mood some of them even played baseball. A number of the players struck out while others were put out of the game. It was an extra inning game and finally broke up when one of the heavy hitters hit a home run with five on base just as the milk man drove by. "Push-em-up" Commander Tom Anaston was way off form, making only one hit out of 22 times at bat and committing six errors.

All told, a good time was had by all as it was a successful meeting from beginning to end. Much credit for its success belongs to Commander Elmer Crane of Merle Guild Post and his capable staff of officers. "We have one of the finest Posts in Our District," said Commander Crane. "A wonderful bunch of fellows working together for the benefit of the community, State and Nation."

Wednesday morning Gen. Schimmling who was delivering some gasoline at 536 So. Mitchell, discovered that the rear of his delivery truck was ablaze. The fuel tank exploded before the fire was extinguished.

Two Fire Calls, But Little Damage

Two fire alarms this week, but there was not much excitement for the fire fans. Tuesday evening a phone call asked the department to come to the home of W. S. Lane, 511 So. Belmont. Before the equipment left a second call from Mrs. Lane advised Chief John that she extinguished the blaze herself. Only damage was to the wall near the stove.

Wednesday morning Gen. Schimmling who was delivering some gasoline at 536 So. Mitchell, discovered that the rear of his delivery truck was ablaze. The fuel tank exploded before the fire was extinguished.

Wheeling Democrats To Meet Monday and Elect 1940 Officers

Election of officers will take place at the meeting Monday of the Wheeling Township Young Democrats. The meeting was postponed from last Monday when Homer J. Byrd, township committeeman, and other members of the organization attended the Jackson Day dinner at the Palmer House in Chicago.

Mr. Floyd Dobbins, president of the organization, has announced the election which will be held at the Recreation Park field house. All Democrats are urged to be present. Refreshments will be served.

Aro Service Offers 49c Grease Job During Jan.

Along with the customary low prices on gasoline, the Aro-Service Station at Euclid and Northwest highway is offering a grease job on all makes of cars at a special price of 49c. In addition to this special sale of oil in five and two gallon cans is now in progress.

The professional meeting of Division Two will be held at the Glenview public school, Waukegan rd., Glenview, January 18, at 4 o'clock.

National Bank Growth Still Continues

Deposits Increase
Quarter of Million
In 12 Months

Arlington Heights National Bank, the youngest banking institution in the northwest section of Cook county, continued its growth during 1939 by increasing its deposits a quarter of a million dollars over the previous year. Over two thousand people are numbered among the depositors and renters of safety deposit boxes.

These figures and a lot more were presented to the stockholders of the bank at the annual meeting Tuesday evening when the following directors were re-elected:

C. W. Lussman, Carl H. Ewert, H. J. Thal, J. G. Wagner, H. H. Franzen, A. H. Franzen, H. A. Doherty, a railroad engineer, was elected to the vacancy caused by the recent resignation of H. L. Hagenbush.

The total deposits Dec. 30, 1939 were \$662,480, which was an increase of \$245,500 over a year previous and \$348,000 over Dec. 30, 1937. The growth in deposits during 1939 was double that of 1938.

Earnings during the year amount to 8%, and \$4,000 was placed in reserve and undivided profits accounts.

A year ago the business of the bank was handled by one full time officer and four employees. Today there are two officers and five employees. As Arlington Heights grows, the Arlington Heights National Bank grows and merits the slogan "a friendly bank in the City of Good Neighbors."

Official publication of the banks in this territory as they appear in this issue, show that the so-called Franzen banks have a total of over two million dollars in deposits. The exact figure is \$2,045,983.60. The combined resources are \$2,297,014.1. The three banks identified with the Franzen name are the Roselle State Bank, Itasca State Bank and Arlington Heights National Bank. Each is an independent institution, although the Franzen family is represented on the board of directors of all three banks.

County Treasurer Reports 6 Million Increase In Tax Collections

Closing his books as of December 30, 1939, County Treasurer John Toman reports an increase in tax collections of all classifications of \$6,093,166. The total collection for the period from June 1, penalty date to December 30, is \$163,545,397.95.

For the same period of time in 1938, only \$157,452,231.36 were collected. As the year closed in 1939 only 20 per cent of uncollected taxes remained. Toman's various drives and his new Tax Delinquency Bureau was responsible for this showing, the treasurer claims. As the year 1938 closed there was a 24 percent of uncollected taxes.

Toman is highly pleased with his record and the record of his new Tax Delinquency Bureau, and predicts that 1940 will not only bring in millions in back taxes, but that the working of the bureau will save thousands of homes from forfeiture to the small home owner.

Will Make Your Motor Look New In 10 Minutes

If it's something new in auto service equipment, you can bet that you'll find it at Super Shell Service, East Northwest highway. This service plant operated by Virgil Horath is winning scores of friends through the spectacular performance of its new Kerrick Kleaner, all purpose automotive cleaning machine. Mr. Horath guarantees to clean your motor, no matter how dirty and make it look like new in ten minutes or less.

But that's just part of the work this new machine can do for your motor car. Radiators are perfectly cleaned without removing them, the stickiest road dirt is removed from your car in a jiffy without harming your paint job in the slightest, the wheels of your car and other places generally considered inaccessible to car cleaners and washers, are perfectly cleaned with ease.

Farm Bureau Officials Attend Annual Meetings

Farm and Home Week was celebrated at Urbana this week and Farm Advisers C. A. Hughes and Chas. N. Glover attended the farm advisers conference held Tuesday and Wednesday.

E. A. Carnecross, general agent, Ezra McClaughry, assistant general agent and special agent, Homer Long of the Cook County Farm Bureau I.A.A. insurance service attended the annual roundup of insurance agents at Peoria Thursday and Friday. The Country Life Insurance Co. now has \$138,000,000 life insurance; \$280,000,000 fire insurance in force. There are 75,000 motorists carrying insurance.

C. Iverson of the Lake-Cook Farm Supply, attended a meeting at Springfield Tuesday.

The remaining lectures present

Skaters Cut Plenty Of Ice On Arlington's Lighted Park Rink

If the youngsters come home with ruddy cheeks these days, it's a good sign they have visited the popular skating rink at Recreation Park, Arlington Heights. Scores of local residents are taking advantage of the good skating and sledding weather during the day and just as much in the evenings when the flood lights provide a skating arena for most of the parents. Mr. John Hickey, superintendent of parks, reports that as many as 157 changed from shoes to skates in one hour at the field house.

The park district has furnished a fire and is offering refreshments. The board has also suggested that skating parties be arranged, and the facilities of the field house will be provided for "oyster stew" or a "weiner roast" for a nominal sum by calling Arlington Heights 620 or 552-J.

Public Invited To Hear Agricultural Specialist At Lions Club, Tuesday

Oscar W. Olson, agricultural marketing authority and educational director of the Chicago Mercantile Exchange, the nation's largest organized market for butter and eggs, will be guest speaker at the dinner meeting of the Arlington Heights Lions club next Tuesday.

The meeting will be held in the Lutheran school and Mr. Olson's address is scheduled for 7:30 p. m. The Lions will hold their regular dinner meeting at 6:30.

Widely known throughout the Midwest for his discussions of the social aspects of the business decisions of agriculture and industry and backgrounded by a quarter-century experience in the distribution of dairy and poultry products, Olson will speak on "Competitive Marketing" and examine the judgments being exerted in the course of marketing, financing and processing the nation's agricultural raw materials.

The meeting, according to Nicholas M. Lattof, the Lions secretary, who secured Mr. Olson, will be open to the public.

Are 350 Letters Pigeonholed?

The Christmas seal sale committee reports "many of the dead soldiers in the war against tuberculosis have been brought to life by the payment of a sum more than, equal to, or less than the number that were hidden in your desks. But there are about 350 more of those letters which are still lurking in some corner of your home unheeded."

"The committees of the past have not incurred the added expense of reminder letters; we do not wish to begin it this year," said a committeeman. "But we would like to at least see the soldiers marching in from more than 150 hiding places from which they've come regularly during the five years in which the mail sale has been conducted in Arlington Heights. Will you not please help them on their way, so the committee can make its completed report to the Chicago office by January 25?"

as splendid a group of speakers as the first three, and the members of all surrounding communities are missing a great opportunity in not attending these town meetings.

Norman Thomas, leader of the Socialist party, spoke on Wednesday evening on Communism and Fascism; Thursday evening Leila Blomfield, industrial economist, will talk on "Democracy Expanded" and on Friday night, Alvin Owsley, former United States minister to Denmark and past national commander of the American Legion, will speak on "America in 1940."

On Saturday night John Temple Graves II, writer and columnist, will lecture on "The Second Discovery of America." Sunday night John B. Kennedy, news commentator and journalist, has chosen for his lecture "What's Wrong With the World."

Monday night Clyde Williams, Alaskan adventurer and wolf dog musher will talk on "Blazing an International Trail by Motorcycle" and the final meeting on Tuesday evening will be a lecture by Dr. Allan A. Stockdale, minister author and lecturer, on "Where Do We Go From Here?"

The purpose of the Town meetings is to reawaken the public to their rights and duties as citizens and are being conducted nation wide.

A most informal atmosphere prevails at these meetings where people gather early to obtain choice seats; before the song service, the men occupy their time with the evening paper, while many women may be seen with knitting and other hand work. Promptly at 7:30 a community song service is led by Mr. Russell M. Johnson.

Each evening the balconies are filled by high school pupils who may be seen busily taking notes with a most impressive silence and attentiveness for the words of the speaker, from young people of this age.

No charge is made for these lectures and so splendid a project as this Barrington Town Warming is worthy of the support of people from all surrounding communities.

Stockholders Of Lake-Cook To Meet Jan. 18

Progress of Company
To Be Keynote Of
12th Annual Session

The Board of Directors have announced that the 12th annual meeting of the stockholders of the Lake-Cook Farm Supply company will be held at the Masonic Temple at Des Plaines at 10 a. m. Thursday, January 18.

This meeting will be of unusual interest to the farmers of Lake and Cook counties in that one of the largest dividends in the history of the company has been declared, approximately \$40,000. Besides this, interesting reports of the progress of the company will be made by the officers. These reports will be climaxed by the main speaker of the day, Mr. Donald Kirkpatrick, who is legal advisor of the American Farm Bureau Federation as well as the Illinois Agricultural Association.

The famous Lake-Cook Farm Supply company free lunch is on the docket again this year. This lunch is being prepared by the cooks of the company and assuring good food and plenty of it.

The music will be furnished by the "Four Martins." The Martin children, brother and sister musicians are a proven appealing group, having five years stage experience in more than 300 appearances in fairs, theaters, meetings, schools and so forth. Each have musical training and are able to entertain with a variety of instruments, vocal solos, harmony, yodels and comedy. They furnish good, clean entertainment and have pleased audiences wherever they have appeared.

Fine Skating At Deer Grove

There is fine skating at Deer Grove. There is also an excellent toboggan awaiting the arrival of sufficient snow. A ski hill completes the opportunity for winter sports at the forest preserve northwest of Palatine.

G. Rex Volz, superintendent of division one of the Cook county forest preserve stated Tuesday that not only has the Deer Grove lake been cleared of snow, but a shelter house has been constructed where skaters can don their skates. A forest preserve employee is on duty at the shelter house until closing time about 10 o'clock each evening. There is ample parking space and large crowds can be accommodated.

Facilities for winter sports in the forest preserves is part of the service for the public that is made possible by the county commissioners. The preserves are being visited by increasing crowds every year.

John Maseng's account of their hike and the evening's program follows: "We left Mt. Prospect at two o'clock and cut across country to Foundry rd., the plowed ground slowing us down a little. We walked along Foundry rd. to River rd. and then cut over to Dan No. 2. We crossed the bridge, there and rested a short while. We went up along the east bank of the Des Plaines river until we got opposite Palwaukee Airport.

"We crossed on the ice and walked up River rd. to Dan No. 1. At Dan No. 1 we crossed over the ford and rested again. We walked through the forest Preserve and came out at the north entrance of Dan No. 1. We walked east a short distance and then walked north up Portwine rd. till we came to the camp entrance.

As soon as we got into the cabin we started a fire and supper on the stove. Walking sure works up an appetite. The rest of the Troop arrived about seven thirty and we soon got outdoor games going—"Johnny, blow your whistle." After playing this for some time we returned to the cabin and popped popcorn and sang songs. The meeting finally broke up and we got home sometime after ten. It was declared by all to be a swell hike.

Barrington Appeal Board Asks Strict Code Enforcement

A recommendation by the Barrington board of appeals that all ordinances with reference to the building code and zoning map be enforced strictly was presented following the presentation of a petition by Mrs. Mary Donlea, Barrington, requesting permission to make a two-family residence out of a house.

The board had heard the petition and then made its recommendation to the village board. Work had been started on remodeling the house but was stopped when the owner found she could not secure a building permit.

Upon the recommendation of the building committee, in a report made by Trustee John Blanke, the board of trustees accepted recommended changes to the zoning map which had been made by the board of appeals after several recent public hearings. A revised zoning map will be prepared and will be made available to the public.

Republican State Leaders To Attend Arlington Meeting

Arlington Home Builders Start
On 1940 Building Program

Arlington Home Builders expect to build a lot of homes in Arlington Heights during 1940 and have gotten an early start on their program which will provide homes of the \$8500-\$10,500 class.

Actual construction was started this week on two of the homes. A brick veneer 6-room house is being built at 429 S. Dunton. This house has four levels, which is considered one of the latest innovations in home building. Excavation has been completed for a house at the corner of West Hawthorn and North Chestnut.

A ranch type house, all on one floor will be erected at the corner of Vail and Park. It will have six rooms, and 1½ bath. Plans are completed for an Early American style home at 433 So. Dunton.

Arlington Home Builders of which Vic H. Grimmer is the architect and general supervisor, was organized late in 1939 and is composed entirely of local people interested in building honest-to-goodness homes for Arlington Heights people. All homes are FHA financed. This firm recently completed a ranch type home for Gordon Barnes at Hawthorne and Pine.

This new firm is also in a position to build homes to order and will be pleased to discuss building plans with any resident.

Scouts Spend Vacation At Camp Beard

A number of Boy Scout Troops of the Northwest Suburban Council took advantage of the holiday vacation period to camp at Camp Dan Beard. Troop 23 sponsored by the Mt. Prospect Post, The American Legion, Troop 3, sponsored by the Kiwanis club of Park Ridge and Troop 9 sponsored by the Lions club of Palatine, camped during this week.

Troop 24 sponsored by the St. Paul of the Cross Catholic church of Park Ridge and Troop 17 sponsored by St. Lukes Lutheran church of Park Ridge camped at Camp Dan Beard this past weekend.

Scout John Maseng of Explorer Patrol of Troop 23 of Mt. Prospect with Leonard Johnson, Carl Kester and Richard Carlson hiked from Mt. Prospect to Camp Dan Beard and prepared the cabins before the arrival of the remainder of the Troop under the leadership of Russell Smith, scoutmaster, and Kenneth R. Behnke, assistant scoutmaster.

John Maseng's account of their hike and the evening's program follows: "We left Mt. Prospect at two o'clock and cut across country to Foundry rd., the plowed ground slowing us down a little. We walked along Foundry rd. to River rd. and then cut over to Dan No. 2. We crossed the bridge, there and rested a short while. We went up along the east bank of the Des Plaines river until we got opposite Palwaukee Airport.

"We crossed on the ice and walked up River rd. to Dan No. 1. At Dan No. 1 we crossed over the ford and rested again. We walked through the forest Preserve and came out at the north entrance of Dan No. 1. We walked east a short distance and then walked north up Portwine rd. till we came to the camp entrance.

As soon as we got into the cabin we started a fire and supper on the stove. Walking sure works up an appetite. The rest of the Troop arrived about seven thirty and we soon got outdoor games going—"Johnny, blow your whistle." After playing this for some time we returned to the cabin and popped popcorn and sang songs. The meeting finally broke up and we got home sometime after ten. It was declared by all to be a swell hike.

Barrington Appeal Board Asks Strict Code Enforcement

A recommendation by the Barrington board of appeals that all ordinances with reference to the building code and zoning map be enforced strictly was presented following the presentation of a petition by Mrs. Mary Donlea, Barrington, requesting permission to make a two-family residence out of a house.

The board had heard the petition and then made its recommendation to the village board. Work had been started on remodeling the house but was stopped when the owner found she could not secure a building permit.

Upon the recommendation of the building committee, in a report made by Trustee John Blanke, the board of trustees accepted recommended changes to the zoning map which had been made by the board of appeals after several recent public hearings. A revised zoning map will be prepared and will be made available to the public.

RICHARD LYONS

Candidate for governor who will address voters of northwest Cook county at Arlington Heights Friday evening.

"Flying Safer Than Motoring" Says Young Aviator

Carl Behrens, Jr., one of Arlington Heights new aviators, has become so enthusiastic over flying that there are a dozen or more young men about the town who say that they are only waiting until the arrival of spring before taking instruction. Carl says that the winter time is the ideal weather for flying as the air is as smooth as glass and he feels a lot safer in his ship than in his dad's car during this kind of weather.

Mutual Company In 65th Year With Record Insurance

Reelect Officers of
Mutual County Fire
Insurance Co.

Mutual County Insurance Co. of Mt. Prospect entered its 65th year Tuesday with the greatest amount of insurance in its history. Regardless of the fact that over \$12,000 was sustained in fire losses during the year of 1939, the cost of insurance for that year was only 13½c per hundred dollars of insurance.

At the meeting of the board of directors held after the annual meeting, officers reelected were: George F. Meyer, president; Emil F. Schoppe, vice president; George Busse, secretary and treasurer; George L. Busse, assistant secretary.

The company has only had three secretaries in the 65 years of its existence. Mr. George Busse has been secretary of the company since 1926. He was preceded by John Russell, who held the office 17 years.

Henry C. Senne was the first secretary, serving 34 years, the same length of time as the first president, John C. Seegers.

The annual meeting held January 9, was well attended and the policy holders heard an interesting report showing the growth of the company and a detailed statement of the fire losses during the past year. (Report is given in full below.)

The treasurer reported a cash balance of \$8,319.20 and government bonds of \$2,280.

Veteran Directors Retire
Fred Wille and Christ Hennig, veteran directors of Maine township, declined re-election and in their places Clarence Wille and Geo. H. Gells were elected for three year terms. Mr. Wille is a former president of the company and has been a director 42 years. Mr. Hennig was a director nine years.

Emil F. Schoppe, of Leyden township was re-elected for a three year term.

The growth of the company is shown by the following:

No. of Pol.	Year	Ins. in Force
135	1875	\$ 174,496.00
437	1885	573,841.00
763	1895	1,045,844.00
1104	1900	1,509,972.00
1447	1905	2,279,924.00
1829	1910	3,407,574.00
2460	1915	5,128,841.00
2564	1920	7,900,745.00
2704	1925	11,080,055.00
2601	1930	12,266,693.00
2818	1935	13,293,888.00
3102	1939	14,303,070.00

The secretary's report was as follows:

"The year just past is the 65th year of this company's existence. Age in a company has always been an indication of business success. "The years have dealt kindly with us. Naturally there have been periods of stress and trouble. There have been depressions, losses and reverses. But through all these, the company has grown and progressed. Through all the years we have had the kindly and helpful cooperation of our policyholders. These men and women have believed firmly in the sound principle of Mutual Insurance.

"The total losses for the year prosperous New Year.

Richard Lyons, announced Republican candidate for governor, C. Wayland Brooks, Republican candidate for U. S. senator, and other prominent Republican leaders will attend a meeting this Friday evening to be held at the Arlington Heights field house.

Arthur Bidwell, representing this district in the state senate, Mrs. Van der Vries and Arthur W. Sprague, member of the legislature, will be among those who will be present to address the Republican minded voters of the northwest towns.

This meeting has been arranged by the Country Towns Republican organization for the purpose of giving the average voter an opportunity to meet the above candidates who, when the coming primary campaign opens, will be in great demand throughout the state and county.

County Commissioner William Busse has sent word to Republican committeemen throughout this district that the gathering next Tuesday is something a lot more than a political canb. It will mean an opportunity to personally meet the two state Republican candidates—men who have an excellent opportunity of becoming the outstanding leaders of the new Republicanism in the state and later, possibly the nation.

The meeting is open to the general public, both men and women.

Well Represented At Jackson Day Dinner

This section of Cook county was well represented at the Jackson Day dinner held Monday evening at the Palmer House. Those seen from Arlington Heights were Mrs. Virginia Dodge, Homer J. Byrd, and Bernice Haas. Representatives from Elk Grove were Mayor Besander and A. J. Kramer. Palatine

Arlington Local News

The Friendly class of the Presbyterian church are giving a bake sale Jan. 20.

The Mother's club plan to meet with Mrs. Wm. Horstman in the city Thursday.

The Sunshine club met Wednesday with Mrs. Frank Cordes, E. Hawthorne st.

Mrs. Wm. Guenther, N. Chestnut ave., has been ill the past week.

Mrs. Julius Vogel went to Des Plaines Saturday to visit her brother, Mr. Max Stoeckel and give him birthday greetings.

M. and Mrs. Chas. Peters were dinner guests last week Thursday of their daughter, Mrs. Richardson and family in Des Plaines.

Mr. and Mrs. Bernard Laubinger and daughters moved Saturday from 7 W. Eastman to a new home, 212 W. Fremont, which they bought recently.

Mrs. Josephine Sieburg, W. Campbell ave., has gone to California, where she will spend several weeks visiting friends and enjoying milder climate.

Mrs. Clare Decker, N. Dunton ave., entertained several neighbors to a social afternoon Monday.

Mr. Max Stoeckel from Des Plaines, called on relatives here last Wednesday and was anxious to hear from his wife and their son.

BOWLING NEWS of Northwest Alleys

TWITTER TWITS

BILL NEUMANN'S BALL

Ah! to recall this twitter twit We'll have to review a little bit. Those happy old days of yesteryear. Remember the days of good near-beer?

Bill Neumann bought himself a ball. I wonder if he will recall. The color of it was dapple gray. A beautiful ball I must say!

Honest he said, I tell no lies. This ball of mine must have eyes. To the state tournament I will go. With that dapple gray well in tow.

On the ball was an autograph. Some of the boys got a laugh. After the bowling he hear him say: "It must-a-been me, not him say!"

Soon Bill had a change of heart. At least he gave the ball to "Mart". But Marty threw the thing away. That was the end of dapple gray!

Gee, I forgot that Bill's a judge. I hope this won't create a grudge. A fine I wouldn't want to pay. For reminding him of "dapple gray."

(Next week it may be you)

HELP! HELP!

These verses are written all in fun. They're not to belittle anyone; I, your would send to us a clue. And don't forget it must be true. The best one will receive two-bits. Just mail it to the "Twitter-Twits" c/o Herald Office and Sign Your Name

MONDAY NIGHT LEAGUE

Stubb's Tavern	25 26 894
Gaare Studebakers	24 27 904
El Rand	23 28 881

On 1 and 2 Arlington Elevators won two games from the Cafe team the last two games were closely fought battles, the last game being lost on a foul by G. Thompson. High man for the Elevators was Bill Neumann with 581. Bill also won the \$1.00 with 524. Gordon Nelson was high for Cafe with 566. On 3 and 4 Stubb's Tavern took Hank Gaare's Studebakers for a ride by winning all three games. The hot shot for Stubb's team was Ray Dieball, Ray piled up a score of 225-215-249 for a 689 series which is high for the season. Ray also won the \$1.00 with his 249 game. Nice shootin' Ray.

On 5 and 6 Hartman's Shoes won all three games from El-Rand and are now tied for first place. Bud Peters was high man for Hart-

man's with 612. Jack Wiese won the \$1.00 with 231. Irv. Kehe was high for El-Rand with 534.

Dog House Club
George Thompson: George fouled himself into the dog house.

Fred Kehe: Fred got cold hands from the snow.

George Weisgerber: George says it's either strike or no count.

Art Cubley: Art keeps paying the club's rent.

Otto Krause: Otto couldn't hold onto his ball, his hands were greasy from making sausage.

Frank Szasz: Shoes were too slippery.

FRIDAY NIGHT LEAGUE
Arlington Roller Mills 31 17
Karsten's 31 17
Wagner's 24 24
Hartman's 20 28
Sadecky's 20 28
Ford Motors 18 30

The Roller Mills came close to dropping out of first place this week, but after the score of their last game with Hartman's was made official they had won by 1 pin, thereby staying in a first place tie with Karsten's who won three games from Sadecky's on 1 and 2.

Dixie was high for Karsten's. He had 605 boosted his average enough to put him in first place in the league.

Back on 3 and 4 Hartman's had their best series of the year, getting a 975 game which is high for the year. Harris was high with 609, getting a big 259 game. Vic and Web were right in there with 578 and 568. No luck, all that ice and only win one game.

Not much excitement up north where the Ford Motors team was taking two games from Wagner's. Meehan shot a good series.

for Wagner's getting 581. The rest of the boys were just putting in their time.

Local Bowler Muffs Big Time Chance
When Stuart Padoice, Jr., got a 247 game last week at the Arlington Recreation it didn't take long for the news to spread.

The Arlington Lions were especially interested that one of their members performed such a feat and it seems they lost no time in signing up Arlington's prize rookie on their bowling team.

In checking the Lions club scores we find "Stuey" got a total of 399 for three games. Of course it is rather embarrassing to "Stu." It has been suggested that the Lions farm him out to the Paddock Printers team for a year.

Calendar
Thursday, January 11, at 7:30 p. m., choir rehearsal in the Sanctuary, Mr. Everett directing.
Monday, January 15, at 8 p. m., Missionary Society meeting; call Mrs. Mary Meyer, 1945, for participation.

ulars.
Tuesday, January 16, at 6:30 p. m., church school board chop suey supper and business meeting in the club room. The parsonage family host.
Tuesday, January 16, at 8 p. m., in the club room, third lecture on "Bible Backgrounds and History" in the course presented by Rev. Schellhase on "A Philosophy of the Bible." Everyone is urged and invited to come.
Please Note: Members and friends are requested to add the name of Mrs. H. Garnet Plumly, Lay Leader, to the list of officers of the church; at our congregation al meeting last Sunday, the title of the church was amended to read The First Methodist Church of Arlington Heights, rather than The First Methodist Episcopal Church of Arlington Heights. Cato said: "The best way to keep good acts in memory is to refresh them with new." Jesus said: "Every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. Wherefore by their fruits shall ye know them." Let us strengthen the Tree of Life for you that good fruit may refresh your memories — attend our services at which you are always welcome.

The public is cordially invited to attend our church services and use our reading room.

**600 Years of
Ethical Pharmacy**
By C. W. Lussman
of Sieburg Pharmacy
Sometime previous to 1350 A. D. the high type druggists of Europe agreed to a code of ethics and this agreement ordained each should conscientiously fill all written orders of qualified physicians according to his best ability.
That he should treat rich and poor with equal courtesy; that he should be modest in his charges, allowing only a reasonable advance on the cost of the drugs as compensation for his services.
Hermann Peters' "Ancient Pharmacy" tells us that as far back as 1581 reliable druggists were declining to diagnose and prescribe for their customers and many people were so displeased "they went without any treatment."
Ethical druggists today live up to those traditions and your doctor cooperates with them and for your best interests — when he suggests that you take your prescriptions to such a druggist.

Eighty-five Per Cent Of University Students Have Religious Preference

Eighty-five per cent of students in the University of Illinois have definite religious preferences, according to a recent tabulation. This is a considerable increase over 76 per cent in 1932. In 1929 the figure was 79 per cent. The statistics include 13,510 students in residence at the University's schools and colleges in Urbana and its Colleges of Medicine, Dentistry, and Pharmacy in Chicago.

Thirty-eight different faiths were listed by the students. The Methodist church was listed by 2,553. The Catholic church was second with 1,703. The Presbyterian church was named by 1,578. The Jewish faith was listed by 1,314. The Lutheran church is the choice of 772, and Baptist church of 664.

The University of Illinois, a state institution, is non-sectarian, but various religious groups have established nine church foundations, — "church homes away from home," — near the campus. Three other churches near the campus are attended chiefly by university students and faculty.

The church foundation idea which is now nation-wide, originated at Illinois when in 1913 the Wesley Foundation was established near the University's campus. A new \$300,000 University Y.M.C.A. building adjacent to the campus was dedicated last year. The Y.W.C.A. has had a fine building for years.

"God" was the subject of the Lesson-Sermon in all Churches of Christ. Scientist, on Sunday, January 7.

The Golden Text was, "Ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else" (Joel 2:27).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God spake all these words, saying, I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me" (Exodus 20:1, 2, 3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Life, Truth, and Love constitute the triune Person called God,—that is, the triune divine Principle. . . Love, These three express in divine Science the threefold, essential nature of the infinite (p. 331).

Obituaries

Mrs. Wilhelmine Batz

Mrs. Wilhelmine Batz, nee Altemburg, beloved wife of John E. Batz, deceased, passed away at the

home of her daughter and son-in-law, Mr. and Mrs. Carl Cushman in Fremont township Saturday evening, at the age of 78 years and 20 days.

Mrs. Batz was born December 10, 1861, in Germany and came to the United States when a young lady of 20, and made her home in Lake Zurich.

On June 14, 1883 she was united in marriage to Mr. John Batz of Russells Grove by Rev. Losner of the Ev. Lutheran church. Six children were of this union, one son, Fred, age 6 years, preceded his parents in death.

Mrs. Batz leaves to mourn her departure five living children, Mrs. Oscar Hauri, Mr. William Batz, Mrs. Carl Cushman of Fremont township, Mrs. Charles Seiler of Libertyville, Mr. August Batz of Mundelein; two daughters-in-law and three sons-in-law; 24 grandchildren and 23 great grandchildren; one sister, Mrs. John Beder-

ske; one brother, Mr. August Altemburg.
Funeral services were Tuesday afternoon at 1:30 p. m. at the home of her daughter and son-in-law, Mr. and Mrs. Carl Cushman and at 2 p. m. at the Fairfield Lutheran church, Rev. Gerth officiating; interment was in the Fairfield Lutheran cemetery.

Mrs. Ella Wille

Mrs. Ella Wille, nee Pollwort, beloved wife of William F. Wille, passed away at her home in Schaumburg about 1 1/2 miles south of Schaumburg Center, Wednesday evening, January 3, at the age of 57 years, 11 months and 14 days.

Mrs. Wille was born January 19, 1882 in DuPage county. On April 3, 1903, she was united in marriage to William F. Wille by Rev. Grosse

at the Churchville Ev. Lutheran church near Bensenville. This couple have made their home in Elk Grove township, also near Des Plaines for a number of years and since 1933 at the place of her death in Schaumburg.

She leaves to mourn her sudden departure, her loving husband, Mr. William F. Wille and three living children, Laura, Lawrence, and Melvin; a son-in-law, Mr. Herman Winkelman and one granddaughter, Verdell; a father-in-law and a mother-in-law, Mr. and Mrs. Fred Wille Sr.; two sisters and one brother, Mr. Fred Pollwort, Mrs. Amanda Forke, Mrs. Clara Forke; ten sisters-in-law and eleven brothers-in-law.

Funeral services were Saturday afternoon at 1:15 at Karstens funeral home and at 2:00 p. m. at the Schaumburg Lutheran church, Rev. Pietschauer officiating. Interment was in the Itasca Lutheran cemetery.

Hillside News

by LEONA GETNER

The regular meeting of the Wilson P.T.A. was held Friday evening, Jan. 5. The meeting was opened with a talk and a showing of safety films by Mr. Moore of the Chicago Motor Club.

Due to the fact of the excessive cold weather and many families in Hillside having one or more of the family sick, the attendance was not as large as was expected, the attendance was around 40.

The Wilson P.T.A. wishes to thank the Chicago Motor Club for sending Mr. Moore, the club's safety expert, to give the safety talk and to show the films. We are equally grateful to Mr. Moore for his very sincere effort to get his message over. The children and the grown-ups were keenly interested in the questions and answers during the discussions.

The pictures shown on the screen gave a perfect demonstration of the conditions we have on the highways and in the small towns in and around Hillside.

The meeting was called to order by the vice president, Mrs. Harry Clark, due to illness of our presi-

dent, Mrs. Ralph Freeman. After the meeting refreshments were served in the basement.

Due to sickness among the members of the galloping tea, the attendance was small and the few that were able, visited the home of Mrs. Warner Rindisbacher and were received with a warm welcome. A most enjoyable afternoon was spent. Tea and cake was served.

Mr. and Mrs. Jim Pies entertained at a family dinner Sunday, Mr. and Mrs. J. Siebert and John Schmidt.

Mr. and Mrs. Carl Enger entertained a family group on New Year's day at a farewell dinner for their mother who left for Del Ray Beach Sunken Garden, Florida, Sunday, Jan. 7.

Saturday night guests of Mr. and Mrs. Frank Campbell were Mr. and Mrs. Jim Pies, Mr. and Mrs. Andy Wallor, Mr. and Mrs. Harry Clark. Alice Marie Rindisbacher celebrated her fourth birthday Saturday, Jan. 6. We wish the little Miss many more happy birthdays.

Mr. and Mrs. Fred Orleman, Mr. and Mrs. C. Whitmore spent Sunday, December 31, with Mr. and Mrs. Sidney Bradbury.

Mr. and Mrs. Ernie Katzke spent New Year's day with Mr. and Mrs.

Jim Pies.

Mrs. Harry Clark gave a farewell party for Mrs. Bradbury Thursday night. Those attending were Mr. and Mrs. Carl Engel, Mr. and Mrs. Ray Barenbugge, Mr. and Mrs. Frank Campbell, Mr. and Mrs. Andy Wallor, Mr. and Mrs. Jim Pies, Mr. and Mrs. Robert Getner and Mr. Bradbury.

Mrs. Fred Hanson was installed as advisor in the Northwest Grove Woodmen of the World.

We are sorry to report that Mesdames Freeman, Carlino, Templin, Thorson, and Baby Janet Thorson, are on the sick list. We wish them all a speedy recovery.

Mr. and Mrs. Carl Engel have moved into their new home in Mt. Prospect.

For a grand evening of fun attend the Cook county, DuPage, Decker's Association party which will be held at the Plainfield school January 20. The entertainment will consist of cards, bunco, and dancing. One of the highlights of the evening will be singing by our Billy Weismann of Palatine. Tickets, 25c. For further information call 7047-W. The school is located at Plainfield and Wolf rds., La-Grange, Ill.

It Happened Here

There seems to be an obsession of tree trimming. In the vacant lot was a tree full of little boys, red checked, red capped, ready to burst out of gay colored sweaters, and as noisy as a flock of starlings, in the garden was a tree full of starlings, noisy as a bunch of school boys; and Jack Frost trimmed the tree ferns on the window with strings of beads mined from the Ice King's palace one strand reputedly chipped from an aurora borealis; and how about a tree full of squirrels? Our squirrel conceives himself equal to filling two trees, and does it neatly; he has become a buccaner and raids the feeding station the how he gets there is still a mystery unless he has developed the webs of a flying squirrel—and he's equal to it. . . . One kindergarten child brot a Christmas card to school for Teddy Turtle.

DISCARDED TREE
Thro the dust of the lot they dragged the tree.
The tree that once sang in the wood,
And left it, a broken and humbled tree,
That once proud and strong had stood.

Despised and rejected, they dragged it along
To its appointed place
And no one that as he passed that way
Of its former beauty and grace.

It lay, a shrivelled and rusty tree,
Its branches no longer with winds to toss,
And the home-made base they had nailed it to
Was plainly a rough-hewn cross.

IMMUNITY

Such diseases as chicken-pox and measles seldom recur. This is because the body develops a definite resistance, or immunity, against them. Similarly, a slight degree of immunity is developed against tuberculosis after the first infection with tubercle bacilli. But if too many germs enter the body at one time, or successive small infections take place rapidly, this immunity is not great enough to keep the infection from spreading.

A large proportion of children, by the time they have reached high school age, have acquired some immunity to tuberculosis. But there is one striking difference between this immunity and those resulting from other contagious diseases. Whereas the immunity following say, measles or mumps is complete, that following tuberculosis infection is effective only up to a certain point.

If the body is brought to a low state of health through severe illness, or if one exhausts his strength and lowers his vitality, then this immunity may break down and active tuberculosis may develop. Vitality is lowered by too strenuous exercise, over-study, too little sleep, improper diet, or insufficient food, fatiguing labor, or any of the over-indulgencies to which youth is prone.

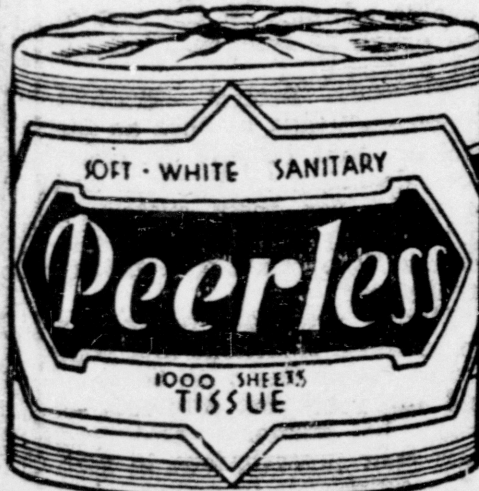

Continued contact with an open case of tuberculosis may expose one to repeated infecting doses of the bacilli too large for one's immunity to cope with. The disease may then get the upper hand.

BEG YOUR PARDON

The following items were incorrectly reported last week:

Mr. and Mrs. Edwin Zinkel, announced the engagement of their daughter, Alma, to Mr. Carl Krueger of Peoria, on Christmas Eve. Wilbert Zinkel, from Elcho, Wis., was home over the Christmas holiday to visit his folks.

Smith-Dawson Cagers Down Bensenville

Smith-Dawson basketball team beat Bensenville 61-53. Laseke of the Realtors making 23 points, was high scorer for the local boys. The game was a thriller from beginning to end with the height of the Realtors deciding the game last Wednesday.

With Laseke, Hertel and G. Weisgerber on the front line Bensenville had little chance to stop the Arlington offense, although the speed of the smaller boys caused them considerable trouble.

The local boys and girls will play in the new high school gym every Wednesday night. The next games will be on January 17 when the Karstens girls meet St. Mary's at 8 p. m. and the Smith-Dawson men meet Itasca, who are one of the better teams in the Lutheran League, at 9 p. m. The men's team is made up of former high school stars, some having as many as 8 years experience since their high school days.

Sticks to 'Peace on Earth'

"I reads my Bible," said Uncle Eben, "an' I tries to keep away from de arguments an' stick to 'Peace on Earth.'"

Highest Point in Connecticut
The highest point in the state of Connecticut is the summit of Bear Mountain, in Litchfield county; altitude 2,355 feet.

Down Comes The Xmas Tree

Library Has Good Material On National Affairs

Today, indications in many parts of the world, point to growing intolerance, suppression of free speech, and censorship, affecting the rights of minorities and individuals.

This is not true in America and never before have so many books been published on the social, economic and cultural outlook for America.

A trip to the Arlington Heights public library discloses an abundance of such material on the shelves, written in language that the average American can understand.

Many of these books are on the seven day shelf and are worthy of the attention of every thinking citizen. Among them will be found:

Freedom and Culture by John Dewey.

Who Are These Americans? by Paul B. Sears.

Here Comes Labor by Chester H. Wright.

Which Way America? by Lyman Bryson, a book on Communism and Fascism.

After Seven Years by Raymond Moley.

What Does America Mean? by McKeljohn.

My America by Louis Adam.

The Promises Men Live By by Harry Sherman.

American Labor by Herbert Harris.

Step by Step by Winston Churchill.

The Revolution of Nihilism (a warning to the west) by Rauschning.

It is Later Than You Think by Lerner.

The Pressure Boys (the inside story of lobbying in America) by K. G. Crawford.

Semester Exams Start Next Week

If your son or daughter of high school age is going about with a worried countenance this week, it may be due to the fact that semester exams are about to descend upon him or her.

On January 18 and 19, those fortunate students who have made a B average or better in all subjects, will have a two day vacation, while the rest of the student body are chewing pencils over examination questions and wishing that they had spent a bit more time on home work.

Three unexcused absences or three tardiness marks or one report of bad conduct will also put examination questions before students who are so careless as to let such a thing happen.

On Wednesday morning this week, the student body relaxed, however, and enjoyed a general assembly program when A. H. Waite Jr., gave a lecture on his experiences at the South Pole with the Richard Byrd expedition.

Fidelis Plan New Blanket Club

The Fidelis Circle of the Methodist church met Tuesday evening at the home of Mrs. J. S. Monroe with Mrs. Roy Lawbaugh, assisting the hostess.

During the business meeting plans were made to open a new blanket club. Any one wishing to join should call Mrs. Monroe 691-R or Mrs. Stumm, 646.

Mr. Gibbs, art teacher in the grade schools, gave a talk on "Modern Art." Following the program the hostesses served refreshments and a social hour followed.

Mr. B. Donges was hostess to eight friends at a one o'clock luncheon last Friday afternoon. Mrs. Scherf was high at bridge which was enjoyed during the afternoon.

Mrs. Paul Collins was hostess to the members of her bridge club last Thursday afternoon at a 1:30 dessert luncheon.

Mr. and Mrs. Al. Chidley were hosts Saturday evening to the members of their card club. Mrs. Roy Dobbins and Mr. Charles McElhose received high honors. The hostess served refreshments.

The holidays have come and gone and no one is sorry but the children. The gaiety was fun while it lasted, but it is with a sigh of relief that we take down the drooping tinsel covered tree and clear away the debris.

January, February and March lie ahead before we can think of spring and golf and gardens.

The various church and civic organizations in the village offer splendid opportunities for self improvement and knowledge of public affairs during these months through the speakers which they bring before the public from time to time.

Within the next week two outstanding speakers will be heard in the village at the local Parent-Teacher association meeting and at the Men's night of the Woman's club.

Many people from the village have been attending the Town Warming meetings at Barrington where some of the most eminent speakers on National and international affairs are speaking on ten consecutive nights.

The local library is full of the best books of non-fiction and fiction and a list of some of them is included in this issue.

Channing Pollock, noted author and educator, and Monday night's speaker before the Barrington Town Warming meetings, says that the apathy of the great middle class toward the affairs of the municipality, state and nation, is appalling, and if America is to be saved, we as individuals must wake up to the seriousness of the situation.

January, February and March are good months to plan your leisure time with this in mind.

Clark Kuebler To Be Speaker at Womans Club Men's Night

The Arlington Heights Woman's club are holding their annual "Men's Night" next Wednesday evening at the field house, when the husbands of members will be special guests at a buffet supper at 7 o'clock, which will be followed by an excellent program.

Professor Clark Kuebler of Northwestern university will be the speaker of the evening with "Fads and Fallacies in International Relations" his lecture topic.

Professor Kuebler has spent a great amount of time in travel and study in Europe and comes well prepared to speak on this subject.

Mrs. Van der Vries To Talk On School Legislation at PTA

If you would like a clear and concise picture of what is happening in the State Legislature in regards to school legislation plan to attend the Parent-Teacher Association meeting on Tuesday evening, Jan. 16, in the North school at 8 p. m.

Mrs. Bernice Van der Vries, our State Representative from the seventh senatorial district, will be the speaker of the evening.

Mrs. Van der Vries went directly from a position on the village board of Winnetka to the State

Campfire Girls Council Fire At Mt. Prospect

The Campfire groups of Arlington Heights, Bensenville, Barrington and Mt. Prospect are holding a Council fire at the Lutheran school on Busse ave. in Mt. Prospect on Sunday afternoon Jan. 14 at 4 p. m.

Mrs. Belle Campere, field secretary from the Chicago office, will conduct the Council fire with the members of all groups taking part. Miss Virginia Deering of Mt. Prospect is in charge of arrangements.

American Legion Auxiliary Notes

Seven past presidents of Merle Guild Unit No. 308 the Legion Auxiliary attended the past president's luncheon in the Red Room of the LaSalle Hotel at 1 o'clock on Tuesday afternoon, Jan. 9.

Mrs. Joseph Wisersky was unable to attend due to a severe case of flu.

The monthly social meeting will be held at the home of Mrs. A. C. Rector, 207 So. Evergreen on Tuesday afternoon, Jan. 16. Please do not forget to contribute to the shower of wearing apparel for the patients at Hines hospital. The ladies need not be new, but should be clean and mended with buttons where needed.

Mrs. Rector will be able to purchase four sweaters from the proceeds from the basket of fruit which was sold at the last social meeting.

Junior Women Hold Business, Drama Meeting

The Junior Womans' Club met Monday evening in the club room and held a business meeting followed by a program on drama which was in charge of the Drama chairman, Miss Doris Minot. A group of high school students of the public speaking classes, interpreted modern and classic poems in a verse choir. Margaret Allis on interpreted verse in solo work.

Mrs. Lawler, a former instructor of speech at Northwestern University, gave a number of readings which were greatly enjoyed by the group.

At the close of the program, a social hour and refreshments were enjoyed.

Norwegian Club To Be Hostess To 7th District

The Norwegian Woman's Club will be hostess to the 7th District, IFWC, at the winter meeting of the district on Thursday, January 11, at the Zion Lutheran church, Belden and Lawndale aves.

A prayer by the Rev. Mr. Conrad W. Enzelspad, pastor of Zion Lutheran church, will open the meeting and Mrs. Reidar K. Haugan, president of the Norwegian W. C. will welcome the guest clubs.

The speakers for the morning session will be Mrs. R. L. Kendall, state civil service chairman, whose subject will be "Free, White and 21" and Mrs. G. Suthers, state legislative chairman who will talk on pending legislation.

Reports of 7th district chairman will be in the nature of panel discussions. Luncheon is set for 1 o'clock.

Music for the afternoon session will be furnished by Mrs. Grace Sasse, soprano, accompanied by Mrs. Jennie Evenson.

Mrs. George A. Harriman, state press and publicity chairman, will discuss the Woman's club angle of the news and Mrs. Alton G. Hall, state international relations chairman, has chosen "Propaganda" as her subject.

Mrs. Charles E. Shaw, ways and means chairman of the 7th district student loan fund, is planning a special announcement for the scholarship fund which she will present during the afternoon.

Special guests invited are Miss Eleanor Ziegler, editor of the Northwest Woman's club section of the Chicago Tribune and the presidents of the first eleven districts I. F. W. C. They are: Mrs. George H. Nippert, 1st Dist., Mrs. John B. Simson, 2nd Dist., Mrs. Thomas Gifford, 3rd Dist., Mrs. Thomas Aspel, 4th Dist., Mrs. J. F. Johnson, 6th Dist., Mrs. William G. Wolf, 8th Dist., Mrs. Walter H. Hermsdorf, 9th Dist., Mrs. James M. Massie, 10th Dist. and Mrs. Guy E. Oliver, 11th Dist., and Mrs. Fred M. Tuckerman, vice-president of the Northern Region, IFWC.

Mrs. Vernon Sturm was hostess to a group of friends at a bridge tea Wednesday afternoon.

Mrs. Dan Schuere was a luncheon and dinner guest of Mrs. Petersen of Elmhurst last Saturday.

Mr. and Mrs. Harry Andrus of Park Ridge will be supper guests at the Pecchia home Sunday.

Mr. and Mrs. Edward Timmerman, Algonquin rd., announce the arrival of a son Tuesday, January 9 at the Palatine hospital.

ARLINGTON HEIGHTS

Prospect Heights

Nan Rauen, Editor.

Dr. Alfred L. Buck, Palatine, will have office hours at the corner of McDonald and Elmhurst rds. in Smith & Dawson office on Monday, Wednesday, and Friday from 3 to 5. Office call \$2; home call, \$3.

Congratulations to Bill Lancaster who was appointed an officer at the last meeting of the Mt. Prospect Masonic club. At this time Bill is also enjoying the first week of his 1940 vacation.

We are glad to report that little Alice Lancaster is feeling much better and is well on the road to recovery.

Don't forget about the big dance at the school tomorrow, Saturday, January 13. This dance is being sponsored by the members of the school board, and the men are hoping for a large turnout. After the exceptionally wonderful time that everyone had at the last dance, there is no doubt but that there will be a large attendance.

At the meeting of the Improvement Association last week, it was decided to hold a dance on March 30. Roy Hartke has been appointed chairman of the committee and at present Roy is busy deciding just where the dance will be held. So don't forget, the March 30 is the first annual dance sponsored by the Improvement Association and we hope that everyone will keep that date open.

At this time we would like to announce that a former teacher is desirous of organizing a morning pre-school class for children in Prospect Heights from the ages of three to six years. Hours will be from 9 a. m. until 12 a. m. This same former teacher will be able to care for infants and children in the afternoon by appointment. For further information with reference to either of these subjects, kindly get in touch with Arlington Heights 7066-W.

Bill Lancaster is enjoying the first week of his 1940 vacation period and although the weather is a trifle cold, Bill is nevertheless having a grand time.

Mr. and Mrs. Clarence Johnson and Mr. and Mrs. Ed. J. Sobwick were guests at the home of Mr. and Mrs. Grosshauser, of Elmhurst Park, Ill., on Saturday.

We regret to report that so many of the folks in the community are on the sick list. Among the sick folks are Mrs. Burch who is suffering from an attack of stomach influenza; Mrs. Marcella is suffering from the effects of a very bad cold; Mrs. Frank Portman, Jr., is still on the sick list; Mrs. Eleanor Jennrich is home from work, suffering from a very bad cold. We

congratulations to Joy Wagner, who celebrated her 7th birthday on January 8. On January 10, Wednesday Joy entertained her grandmother, Mrs. Charles Samar.

Mrs. Wagner enjoyed the day in downtown Chicago shopping and having lunch with her aunt, Mrs. C. Ptacek.

Thursday evening Mr. and Mrs. Wagner entertained Mr. and Mrs. Ed. Miller, Mr. and Mrs. Ed. J. Sobwick, and Mr. and Mrs. A. Alford. The folks enjoyed the evening playing cards and Mrs. Wagner served a delicious luncheon.

We were very glad to see Mrs. Vincent Shepherd out at the last meeting of the Improvement Association, after her illness of several weeks. We hope that she will continue to improve and that she will be able to attend all of our affairs in the future.

Jim Nielsen had a minor operation performed on his nose on Thursday morning, and at this time we are glad to state that he has returned to work and is feeling much better.

Terese Mueller has been on the sick list for the past couple of weeks and we certainly hope that she will soon be her old self again.

The Orose family have fully recovered from their very severe attack of colds and the like. Mr. Orose has returned to work and everyone in the Orose household are feeling much better.

Congratulations to Bill Lancaster who was again appointed an officer in the Mt. Prospect Masonic club at their last meeting.

Congratulations to Marcella Sobwick whose birthday was January 1.

Mr. Alan Dawson planned in from Florida last week and he reports a very enjoyable vacation. Mr. Dawson expects to return shortly since he left Mrs. Dawson and the children down there for the winter.

Mr. and Mrs. Norman Olsen helped their brother-in-law, Mr. N. Gross, celebrate his birthday last Saturday, and on Sunday the Olsen family helped their niece, Miss Diana Olsen celebrate her birthday. Last Wednesday Mr. and Mrs. Olsen attended the party at the St. James church in Arlington Heights. The folks enjoyed dancing, also the sandwiches and coffee which were served.

Miss Kathleen Wynn attended the display at the Art Institute on Sunday. Miss Wynn is a student at the art institute.

Mrs. V. Danielson attended her

The Romance of Steel

On December 19 the Arlington Heights Patrol Boys took a trip to the Carnegie-Illinois Steel Corporation at South Chicago.

Upon arriving at the steel mill we were introduced to a guide whose first instruction to us was to be very careful. He first took us through the building in which the Bessemer process of converting iron into steel was seen. It was very interesting to watch the impurities found in the iron being blown out by the air.

From here we went into the beam mill where they roll red hot steel into beams a hundred fifty feet long. From there it was run on rollers to where it was cut into the proper size to be used for various purposes.

After seeing the beam mill we walked past eleven huge blast furnaces, one of which was being relined with silica brick. This is necessary every two or three years and costs \$750,000.

After that we went into the power plant which provides power for the entire plant. In this power plant we saw fifteen of the largest engines in the world. These engines use the escape gases from the blast furnaces to create power. To give you an idea of the gigantic size of these engines they each had a flywheel weighing 110 tons. The piston stroke is sixty-four inches and the bore of the cylinder is five feet in diameter. These gas engines turn huge generators which provide electric power.

We then went to the building where the open hearth process in making iron is used. There were fourteen furnaces in this building, club on Wednesday and had a really grand time.

Mrs. Nan Rauen journeyed into Evanston and enjoyed lunch with her cousin, Mrs. Colleen, Mrs. Johnson, and Mrs. Wolf, on Wednesday.

Mr. and Mrs. Burch on Elmhurst rd., entertained Mr. and Mrs. R. Carr and family from Chicago last Sunday. During this week Mrs. Burch's mother, Mrs. Louise T. Skibbe has been visiting her daughter.

Mrs. and Mrs. Norman Olsen helped their brother-in-law, Mr. N. Gross, celebrate his birthday last Saturday, and on Sunday the Olsen family helped their niece, Miss Diana Olsen celebrate her birthday. Last Wednesday Mr. and Mrs. Olsen attended the party at the St. James church in Arlington Heights. The folks enjoyed dancing, also the sandwiches and coffee which were served.

Miss Kathleen Wynn attended the display at the Art Institute on Sunday. Miss Wynn is a student at the art institute.

Mrs. V. Danielson attended her

club on Wednesday and had a really grand time.

Mrs. Nan Rauen journeyed into Evanston and enjoyed lunch with her cousin, Mrs. Colleen, Mrs. Johnson, and Mrs. Wolf, on Wednesday.

1939 A Big Year For Mt. Prospect State Bank

Increase Earnings and Deposits; Burmeister New Director

The year 1939 was a busy twelve months for the Mt. Prospect State Bank as the stockholders learned Wednesday evening when the annual meeting was held and detailed Wm. Busse, Jr., and cashier, Carl Hammerl. All of the members of the board of directors were re-elected except G. A. Connor, who resigned. His place was taken by Henry W. Burmeister, a farmer of Wheeling township, who is township school trustee and former commissioner of Peeshanville Drainage District and president of Busse Realty Association.

Re-elected directors are: Fred W. Busse, William Busse, William Busse, Jr., George H. Gells, C. H. Gewecke, Fred Meeske, William Segers, Albert Wille.

The upturn in the general business world during 1939 was reflected in the increased business of the Mt. Prospect Bank. Deposits increased during the year from \$672,000.00 to \$737,000.00. Total resources Dec. 30, 1939 were \$847,820, an increase of \$65,000 over Dec. 31, 1938.

Net earnings showed an increase from 11% to 19%, even after payment of heavy taxes, F.D.I.C. fees and insurance protection that totaled over \$2,000 for the year.

The bank was especially active during the year in financing of new homes in the communities it serves. FHA loan holdings December 30, were \$217,000, an increase of nearly \$100,000 over 1938. The Dec. 30 report showed \$280,000 invested in real estate loans comprising new construction, FHA, refinancing and direct mortgages.

Mr. Connor had been a director of the bank since its organization in 1912. Mr. Burmeister who takes the place on the board vacated by Mr. Connor, is very well known throughout this part of Cook county and holds the confidence of the general public.

The board of directors at their meeting which followed the session of the stockholders, elected Wm. Busse III and Albert Froemling, as assistant cashiers. They have both been employed in the bank for some time. They represent the third generation of the Busse family to be identified with this bank. Mr. Busse is augmenting his banking work with studies at a law college with the view of better equipping himself as a banker. Both young men have made banking their life work and welcome the opportunity of following in the footsteps of their grandfather and father, which has made the Mt. Prospect Bank one of the strong banks of northern Cook county.

Mr. Froemling is attending night school at Loyola University taking a special course in accounting.

In closing his report to the stockholders Tuesday evening, President Wm. Busse, Jr., said:

"Let us all reiterate our faith in our bank, which should be near and dear to us all. We know that there will be hardships and difficulties to overcome. There will always be inflationary dangers ahead of us. The way will not be easy. Yet let us all have confidence in the present generation to solve

1940 Finds Bond Between Chain Store And Public

President of A&P Says Progress In 1939 Aids Economy

by JOHN A. HARTFORD
President, The Great Atlantic and Pacific Tea Company

The advent of 1940 finds the chain store industry with renewed vigor at its job — the bringing of better living at lower cost to millions of American families.

As we enter the New Year the way for increased activity along these lines has been cleared through increased recognition by chain stores and the public they serve of a strong community of interests. This growing mutual understanding is the result of four significant developments during the past year. These are, first, the realization by the public of the true place of chains in the national economy, which in turn has resulted in the series of defeats suffered by those who would destroy or penalize the chains; second, further reduction of prices to consumers through the extensive development of super-markets; third, increased efficiency of the food chains as a farm produce marketing machine, as exemplified by effective drives to move surplus crops; and, fourth, further contributions to the standard of living of wage-earners in the form of higher wages and lower living costs.

At the start of 1939 we saw indications of the growing awareness among farmers, consumers and wage-earners, of this real community of interest with chain stores. By the end of the year this sentiment, as shown by the record seemed to have reached landslide proportions. Today, despite long-continued anti-chain agitation by middlemen, the vast majority of the American people have clearly indicated that they intend to protect their stake in chain store operations.

The effect of this mounting public sentiment is seen in the legislative record of the past year. It is seen in the refusal of national and state legislatures to enact proposed chain store taxes. The federal chain store "death sentence" tax bill failed of enactment, and although wholesalers pressed for the passage of a total of around 90-anti-chain laws in more than 30 states, no new states were added to the anti-chain roster. As a matter of fact, several state chain store taxes were invalidated by the courts and one state refused to re-enact a chain store tax heretofore on its statute books.

A study of the 1939 record reveals that sales for 30 representative chains increased approximately 16 per cent during the year, as compared with a rise of less than seven per cent in general retail trade.

The upward trend in 1939 was, of course, accelerated by continued intensive developments of the super-market — the latest contribution to the chain store record of cutting distribution costs and thus reducing costs to consumers. Regular chain store prices average probably eight per cent less than the general retail level. But millions of consumers discovered in 1939 that super-market prices, through the further stepping up of store efficiency, are often as much as an additional eight per cent below even regular chain store prices. Today, retail super-market distribution costs total only 12 to 13 cents of the consumer's dollar.

The farmers have for some years turned to the chains when bumper crops have threatened to undermine markets. As a result, we have developed efficient machinery for acquiring consumers with these surpluses, getting them into the consumers' hands, and thus bolstering shaky markets. Such activities are known as promotional problems. The fact is, that as bankers we must more and more appreciate our responsibility to our depositors and to the general public since we must realize that our position is a sacred trust to be exercised gingerly, prudently and completely.

It seems that the functions performed by banks, both those that are paid for and those not paid for, are of paramount importance to the economical welfare of the country, that they have to be continued. If there are no banks here to do the work someone else must do it; and that someone else is obviously the government, itself.

"No appraisal of the year would be complete without reference to the fine spirit and conscientious service of our directors, the loan committee, officers and employees, nor without an expression of appreciation to our stockholders and customers for their patronage and particularly for commending the bank's various facilities and service to their friends."

decer-consumer drives, since both groups benefit, and last year they were more effective than ever. Chain-sponsored drives in 1939 were successful in moving surplus of such commodities as citrus fruits, dairy products, prunes and dried fruits, fresh vegetables, poultry and eggs, and apples.

The effectiveness of these activities we hope was a contributing factor to the rise of farm income, currently estimated as being up 2.5 per cent for the year. In 1940, we plan to place increased emphasis upon cutting the spread between fair prices for the farmer and low costs to the consumer, confident that this should further improve the condition of the nation's agriculture.

In serving the consumer it follows that we also serve labor, for the fundamental interest of wage-earners is in the "real wage" actually in the pay dollar. Labor has found a two-fold stake in chain store operations. For one thing, chain stores furnish employment to approximately 1,000,000 workers. Wages for full time employees average 37 per cent higher than the national average for all full time employees in the distributive field. It is an encouraging sign that more than thirty state federations of labor have created tax study committees to ascertain the effects of untative and discriminatory taxes, among others, upon the real wage of labor.

Continued concentration on our task of lowering costs in the years to come can only result in a constantly higher standard of living for all American wage earners. It can only mean that more of the good things from farm and factory reach more people; and that agriculture, industry and the consumer prosper accordingly.

To that end we will bend our entire energies in 1940. We realize that it is through such efforts that we can continue to merit the support and patronage of the American public.

WHEELING

Wheeling Board Meets; Realtors Plan To Correct Fire Hazard

The January meeting of the Village Board was held on Monday evening. Fines reported during the month totaled \$61.00. A letter from the realty company having charge of property adjoining the village hall, was read which declared their intention to improve the same and offer it for sale. Buildings on this property have been declared a fire hazard and the company had been notified to that effect.

The committee appointed to inspect catch basins and septic tanks of the village, was not ready to report and was continued until the next meeting.

The water committee reported that the pump has not been functioning properly and a discussion of the purchase of a new pump was held but no action taken. A complaint was presented to the board of the number of dismantled cars parked at the former Kuzma filling station on the north end of the village.

The question of asking for a government grant to aid in laying storm tile in Mors subdivision was raised and an investigation of the same ordered. The public building committee were ordered to make necessary repairs on the cell door in the village hall.

The Chief of Police, Mr. Ray Lesch, asked permission to attend a school for policemen held once a week at Lake Forest and his request was granted. The police committee was authorized to purchase

Judy Garland and Mickey Rooney in "Babes in Arms," Sunday, Monday and Tuesday, at the Arlington Theatre. Directed by Busby Berkeley, famed for screen musical hits.

a heater for the police car.

The January meeting of the Parents and Teachers association will be held next Monday evening, Jan. 15. Mr. M. Bollman, Cook county assistant superintendent of schools, will be the guest speaker for the meeting. All members and friends of the P.T.A. are urged to attend.

A regular meeting of the Community Center Association Board will be held next Tuesday evening, Jan. 16, at the school. All community organizations are urged to have their representatives present.

For an evening of fun plan to take in "The Antics of Andrew," a farce in three acts by Jay Tobias at the Wheeling gym on Thursday and Friday evening, January 25 and 26. When a giddy college youth persuades a trusting millionaire uncle in Australia to give him an allowance for the support of an imaginary wife and a fictitious mother-in-law, anything can happen. When the unknown uncle pays an unexpected visit every thing may happen and does! Come and see the fun. The play is being presented by the Dramatic club of the Presbyterian church.

We are pleased to note that Mrs. Hans Schmidt has been making satisfactory progress during her stay at the Highland Park hospital and we hope she will soon be restored to good health.

A baby boy was born to Mr. and Mrs. John Brumm on Saturday, Dec. 30. This makes the family circle evenly balanced with six boys and six girls. Mother and baby are both doing nicely.

The Wheeling Troop 18 Boy Scouts, are planning to do their good turn to the Wheeling Community Library by canvassing the homes of the village for donations of books to the library. The boys

tion, is presiding at the annual convention of the association being held this week at the La Salle Hotel, Chicago.

Mrs. Arthur Hugo returned home from Northwestern hospital, Des Plaines last Thursday. Mrs. Hugo suffered the removal of the gall bladder on Sunday, December 17 and was further handicapped by an attack of pleurisy which kept her in the hospital over the entire holiday season. Mrs. Hugo is very appreciative of the excellent care received at the hospital and also of the visits from friends and gifts which helped so much to make her Christmas in the hospital a cheery one. She is also especially grateful to her neighbors for their many kindnesses and assistance given to Mr. Hugo while she was away.

Mrs. Edw. Bellmore entertained her card club at the senior Bellmore home last Friday evening. First prize for the evening was won by Mrs. A. Fassbender, second by Mrs. E. Bellmore and the consolation prize went to Mr. Jos. Bellmore, Sr., who broke into the ranks of the "Ladies' club" as a "pinch hitter" due to the absence of several players because of illness.

We are glad to learn that Mr. Harold Forke, who had been confined to his home because of illness for several weeks, has recovered sufficiently to return to his work.

The Wheeling Volunteer Fire Department are holding their 42nd anniversary dance on Saturday evening, Jan. 20, at the Union Hotel. Selected music will be furnished for both modern and old time dances and admission will be 50c a person.

WHEELING PRESBYTERIAN CHURCH

Morning worship, 10:50 o'clock. Sunday church school, 9:30 o'clock a. m. Classes for all ages.

Wednesday evening, Jan. 17, regular meeting of young people's club. All young people of the church of high school age and up are especially invited to share in the fellowship of the club.

GEMS OF THOUGHT

Tomorrow Every tomorrow has two handles. We can take hold of it with the handle of anxiety or the handle of faith.

—H. W. Beecher.
The best preparation for the future, is the present well seen to, and the last duty done.
—G. Macdonald.

Grow old along with me.
The best is yet to be.
—Browning.

With each returning year, higher joys, holier aims, a purer peace and diviner energy, should freshen the fragrance of being.
—Mary Baker Eddy.

He is only anxious about the future to whom the present is unprofitable.
—Seneca.

Remember this also, and be well persuaded of its truth: the future is not in the hands of Fate, but in ours.
—Jules Jussierand.

These Women
Farm men in the Lyons, Ga., area are complaining. A live stock sale was eclipsed when farm women invaded a public auction to place on the block their home-made bedspreads, table covers, scarfs and rugs.

No doubt about it... your home has a chronic case of

INADEQUATE WIRING AND OUTLET STARVATION!

Better take advantage of today's low prices and terms on wiring and outlets

HERE ARE THE SYMPTOMS:

DIM LIGHTS—If your lights fade when you attach an iron or some other electric aid, or if the iron takes too long to heat—that's a sure sign that your present wiring is inadequate.

BLACKOUTS—In many cases such overloading of the circuit results in a complete blackout of all lights and appliances. Then a new fuse must be installed, but the same thing may happen again.

CORD NESTS—A sure symptom of insufficient outlets. Caused by trying to plug in lamps, radio, iron and electric train all on one outlet. Very inconvenient—and unnecessary.

... AND HERE IS THE CURE!

See your wiring contractor or Public Service Company representative—ask about the special low prices and terms that make it easy to have modern, adequate wiring and additional electric outlets in your home.

Why gamble! Why try to get along on wiring that's out of date and fails to deliver enough electricity for your needs? It's not only inconvenient, but costly, too. For when you draw too much current from one circuit at one time, you lose power along the wire—and fail to get all

the electricity you pay for... Your friendly electrical contractor has an easy remedy for just such a condition. See him—ask about installing one or two appliance circuits to an adequate number of electric wall outlets. It's not an elaborate task—and the cost is now amazingly low!

... AND ELECTRICITY IS CHEAP!

Mac Says

by GERALD A. MC ELROY

The Northwest Conference will again have football as a major sport in a majority of the member institutions. Palatine, Antioch, and Bensenville will definitely take up the grid sport next fall and along with Barrington, Grant, and Northbrook will make a six team circuit. Ela and Wauconda, the other members are a little too small for the 11 man game. Bensenville will likely play six man football again next year and schools meeting the Bisons will have to try that version of the game on the one occasion. Coaches of the six schools will meet at Palatine tonight to approve a tentative schedule that was drafted last month.

The six schools have enrollments ranging from Northbrook's 200 to Bensenville's 290 and after the new ones have a season of experience the schools will no doubt have an interesting and evenly matched schedule of games.

An Even Race
As a result of Wauconda's overtime victory against Palatine last Friday, the Northwest Conference race has apparently become a four team affair for just that number are tied for the top with three victories in four starts. Before Friday night every team in the league had seven games remaining, one with every other school. Now each has six different opponents in as many games.

Palatine, Barrington, Wauconda, and Ela are the four on top. Barrington has to meet all three of the others and so does Ela. These two tangle Friday at Lake Zurich and one or the other will have to relinquish its position at least temporarily. Palatine's games with the leaders, Barrington and Ela, come on the last two Fridays of the season. If Barrington beats Ela Friday, the Broncos will have all three of their most difficult remaining games on their own small court. On paper it looks like a tie at the finish but any team would be sure of a clear tie if it won its remaining games.

This week the Pirates travel to Grant, Bensenville goes to Antioch and Wauconda treks to Northbrook, while Barrington battles Ela at Lake Zurich.

Lakers Dominate League
It is becoming almost a runaway in the Northeast loop since Niles has apparently dropped out of the race. Crystal Lake is undefeated in both divisions with the half way mark in the schedule coming up in Friday's games. The Lakers appear good for a pair of triumphs at Leyden Friday while Niles is no doubt knocking second place Libertyville to a lower level. Then the next week the Lakers will try to make it two straight over Niles and if they do they will be either two or three games in front of the field with the season half gone and all the toughest opponents out of the way.

Barrington At Ela
Last week we missed three out of seven for our worst week. So far it is 27 right out of 35. This week we favor Bensenville over Antioch. The Bisons are due but it will be very close. We think Barrington will get the call at Ela though the Bears might upset the Broncos if Knigge has one of his good nights. Wauconda will probably eke out another at Northbrook. All four of Wauconda's games have been decided by two points. Palatine will probably come back strong to trip Grant but it will not be easy.

Cards At Lake Forest
In the Northeast conference we expect the closest doubleheader at Lake Forest where Arlington plays. The Cards are coming up but our guess is for the Scouts in an even game. Arlington's lights are really coming up fast and may dim Lake Forest's ambitions. Hayes has a pair of very capable boys in Becker and Heinze and we do not expect the Tornados to lose many more this season.

Niles has too much speed and scoring punch for Libertyville and it may be more than a 10 point edge for the Trojans in both games. Woodstock will take their first double header of the season at Warren while we cannot see anything but Crystal Lake at Leyden.

Get District Tournaments
Wauconda and Lake Forest have been named to sponsor State District tournaments in the Woodstock and Waukegan regions. Just which schools will be assigned to the tournaments is difficult to determine. Last year Wauconda ranked second in the state among the districts in gate receipts. It will be the first year that Lake Forest has a tournament. Last year there was no district meet in the Waukegan region.

A Freak Play
Showley of New Trier who was one of the officials on the Libertyville-Lake Forest game last Friday tells us that a Libertyville player shot a basket for Lake Forest by mistake, but was fouled in the act of shooting so went to the other end of the court and made two free throws for his own team.

Deluge of Baskets Gives Palatine 46-13 Victory Over Zion

Palatine swamped Zion-Benton in both games of a Saturday night doubleheader. The regulars won 46-13 with the second five playing almost half the game and the lightweights were victors by 26-6.

Fast and accurate passing coupled with accurate shooting gave Palatine a 21-2 lead midway in the second period. At this juncture the reserve five took over and held a 27-4 lead at the half. Eight of Zion's 13 points were made in the third period against Pirate reserves. Hollinger and Snyder piled up 30 of Palatine's 46 points.

Palatine led 9-6 at half time in the lightweight game but shut out the visitors 17-0 in the second half. All the Palatine squad saw plenty of action. Harris scored six points while Golden and Birks made five apiece. It was the sixth straight victory for the Palatine lights and their seventh in nine games played.

Palatine (46) FG FT F

Northbrook Beaten Twice By Grant

Grant beat Northbrook twice Tuesday night in Northwest Conference games. Werhan's regulars won 25-19 in a game which was very close until the closing minutes. Grant's lights led all the way to the 20-12 lead.

Grant and Northbrook were tied at seven all at the quarter, but Grant was ahead thereafter in the heavyweight game leading 12-9 at the half and 15-12 at the three quarter mark. McNally and Franks each scored seven points for Grant while Q. Strauss hit a total of nine for Northbrook.

It was Grant's third victory in five days as they beat McHenry Friday and St. Mary's Saturday. They will be host to the Palatine Pirates in conference games Friday of this week.

Lake Forest Loses To Libertyville

In a game featured by poor shooting, Libertyville beat Lake Forest 23-18 last Friday and took undisputed possession of second place in the Northeast circuit. The Wildcats played good ball to pull away from the Scouts 16-8 at the half but then they gave a ragged exhibition. Miller, with 14 points was the only consistent shooter for either team.

The Lake Forest lights were out of the Wildkitten's class and ran away easily 31-11. Libertyville got but two field goals. Ambler led the Scouts with 10 points.

Four Acres of Glass
Approximately 180,000 square feet of rough blanks for automobile safety plate glass is produced in a glass company's plant at Charleston, W. Va., every 24 hours. Company engineers estimate this 4.1 acres of glass, after being ground and polished, is sufficient to equip 4,200 new cars with windshields, side and back windows.

Arlington Beats Warren; Palatine and Bensenville Lose

Cardinals Show They Are Improved Team

Eddie Mueller Collects Six Baskets To Lead Scoring

The Cardinals of Arlington picked up quite a bit from their sorry exhibition against the Alumni during Christmas week and last Friday night downed a game little band of netters from Warren high of Gurnee. The score of 26-22 indicates a close game and it was just that throughout. Arlington led at the quarter 7-2, but bogged down in the second period and permitted Warren to tie them at 10 all.

The Cardinals looked a much better team in every department of the game except at shooting. They did collect ten goals out of fifty tries for a good twenty percent, but since practically everyone of those fifty tries were well within the 15 foot zone their percentage was much too low.

Warren were a skillful little crew out in the middle of the floor, but were no match for Arlington's height around the basket. Had it not been for this margin of height they probably would have taken the measure of Arlington.

Eddie Mueller, Kehe, and Peters were practically the entire offense for Arlington. Mueller had a right good second half accumulating six baskets in all. One came in the second quarter, two in the third and his three baskets were the only ones scored from the field in the final period. Kehe, when inserted into the lineup quickly snagged three goals, but suffered a bruised leg which put him out for most of the rest of the game. Peters failed to score from the field but tallied five for five charity tosses, four of them coming in the second half when the going was toughest. Two of them tied the score for Arlington after which they were never headed again.

Mueller collaborated with Hull for two of the clinching baskets in the fourth quarter. Hull battled the ball far down the floor from a held ball. Mueller snagged it in behind the Warren defense and romped home with the score. Almost immediately Hull intercepted a Warren pass and heaved a long pass down floor to Mueller to sew up the game.

Schulenberg and Thoman capitalized on their height under the basket playing head up defensively. Schulenberg is improving his floor play with every game and when his shooting improves, will be a star.

Gripton and Kelton did most of the scoring for Warren. They, with Nelson and Herman, worked beautifully at times, but had too many of their attempts at the basket smothered by the taller Cardinals. In the lightweight game Warren's Little Imps put up a game battle against heavy odds before losing to Arlington's Green Tornados. Leading 19-8 at the half, Arlington went on to win 33-20. Fifteen players were in the game for the victors, all of whom played competent basketball. Coach Salisbury of Warren used nine.

The Warren boys, who started the season totally inexperienced, showed remarkable improvement over their early games. They carried the play to Arlington whenever possible, fought for every loose ball, and refused to give up when they trailed in the late stages of the game.

Becker was the spear-head of the Tornado attack, scoring eight baskets in the fifteen minutes he played. His floor-work and defensive play were excellent and his shots were of all varieties. Bob Heinze, forward and acting captain, co-starred with Becker, passing and driving brilliantly. Hauptly and Harth shared most of the game at center and divided four baskets between them. Vetter was in at the same spot. Dick Busse's rebound work at back-guard was the outstanding defensive play of the evening.

Warren's sixty-five pound guard, Daizil, created a sensation by scoring twice on his only attempts and by playing a fine floor-game.

Arlington Trojans Lose First Hockey Game, 1-0

In its first official game of the season, the Trojans, Arlington's newly organized hockey team, lost to Wheeling by a 1-0 score.

The Trojans, respecting Wheeling's offensive ability after having lost a practice game by a top-heavy score earlier in the year, were content to play a defensive game in the first period. As a result, there was no scoring in the first period. In the second period the Arlington team turned on the heat and had innumerable shots at the Wheeling goal, but were unable to connect with Rukofski in the net. On many occasions this husky goalie turned what seemed like sure shots away from the scoring zone.

The third period opened with both teams seemingly out for blood and the game almost turned into a free-for-all, such was the roughness of the blocking. With seven minutes to go Cargili made the only score of the game on assists from Hartmann and Utpadel. Bill Simon came out of the net just a bit too far and in the scramble, Cargili converted.

Wheeling's Hartmann, R.W., Laurance, L.W., Utpadel, C., Cargili, R.D., Miller, L.D., Rukofski, Goalie.

Woodstock Waits Till Last Quarter To Overcome Leyden, 39-34

Woodstock gained their first conference victory last Friday when they came from behind in the last quarter to overcome a 10 point Leyden lead and win 39-34. The Blue and White quintet coached by Larry Dale was on the short end of a 13-9 count at the quarter and 23-19 at the half. In the third period the Eagles pulled away to a 33-23 lead and appeared to have the game in the bag but Woodstock pushed in 16 counters to Leyden's lone free throw and took the game.

Both teams scored 13 field goals and Woodstock's edge was gained at the free throw line. Leyden lost three regulars on fouls and one due to an injury. Dibley with 11 for the winners and J. Doss with 12 for Leyden topped the scorers.

Woodstock lights led most of the game, but were nosed out 26-24 as Leyden rallied to pull ahead in the closing minutes of the game.

Ela Defeats Bisons, 46-42

Baumgartner, Of Bensenville, Hits 20 Pts. for High Honors

After losing two games in pre-conference tilts Ela turned the tables on Bensenville last Friday night by taking both ends of a double header. The Ela heavies won a close game by a score of 46-42 and the lights nosed out the Junior Bisons in an overtime period.

In the lightweight game the Bensenville team was leading throughout the game until the last five seconds of play. At the end of the first quarter the score was 12-1 for Bensenville and the half ended with the Bisons still in the lead 16-10.

In the dying seconds of the final quarter, Ela put in a free throw to head the game into an overtime with a 27-27 tie. Gleason of Ela then sank a long shot from behind the free throw line to put the game on ice for the Lake Zurich quintet. High scorers of the game were Gleason for Ela with 15 points and J. Thomas of the Bisons with 14.

The heavyweight game was a see-saw affair with the lead moving from one team to the other. Ela outscored the Bisons in the first half by 6 points and the Bensenville regulars came back in the second to outpoint them by 2 baskets.

The Bensenville rally in the second half, however, was not strong enough to overtake the Ela team led by the two Knigge brothers who together accounted for 32 of Ela's 46 points to share their team's high scoring honors.

Lennie Baumgartner of Bensenville gave an unusual performance in the last half of the game when he sank five consecutive long shots from mid-court which, when added to his other scoring, made him high scorer of the evening with a total of 20 points.

Barrington Holds Tight To Second Place; Beat Antioch, 40-25

Barrington gained ground in the Northwest Conference race by taking both ends of their Friday evening with Antioch. The Broncos, led by Grueling and Miller who scored 28 points between them, played a good game and were never in danger.

The score at the half was 24-13. Grueling had 18 points for Barrington while Austin, Thompson, and Hawkins were best for Antioch.

In a wild, fast contest, the Barrington Ponies led all the way to win 28-19. They led at the half 16-10. Schumacher scored six field goals for Barrington.

A GREAT DOUBLE PROGRAM

Home Bureau Drive Planned For Jan. 15-20

The week of January 15 will be a busy week for township committees which are assisting with the organizing of a Home Bureau in Cook county. At the annual meeting of the Cook County Farm Bureau, which was held in La Grange on December 14, plans were made to carry on a concentrated drive for home bureau members during the third week in January.

Home visits will be made for the purpose of acquainting homemakers with the value of the organization. A special effort will be put forth to spread home bureau information and to raise the number of signers to the 400 mark so that Cook county homemakers may organize, obtain a home adviser, and begin a program of educational work.

Home Bureau, a professional organization for homemakers, will give the women of Cook county the latest material on individual and community homemaking. Specialists in various phases of home economics from the University of Illinois will be available. It will make accessible the services of a trained home adviser who will help carry out a planned program of home economics, give personal advice to women requesting it, and assist in community projects which include girls' 4-H club work, recreation, and other activities that further better community life. Women of the county will be interested to know that they select their own program of study for the year, basing it upon their needs and desires. This program is carried out at unit meetings in the various communities of the county.

Home Bureau is provided for by a law of Congress enacted in 1914. At the present time, over 18,000 women are members in organizations located in 69 counties of the state. It is for all homemakers, both town and rural, and is a branch of the Home Economics Department of the University of Illinois.

Please feel free to call the Farm Bureau office in Arlington Heights or Blue Island if you have any questions concerning Home Bureau.

Many interesting editorials have been printed on safe driving. I enjoy immensely the fine instructive comments so many editors make on the necessity of safe driving, and I appreciate their contribution to the cause of safety.

Recently, the editor of the Isanti News, Isanti, Minnesota, wrote the following:

"Upon returning from an automobile trip the other evening, we sat down at the typewriter in a state of veritable frenzy. Foam dripping out of the corners of our mouth, we pounded out the following lines of despair with clenched fists:

"Oh, that some wise jury
Would see fit to indict
Every nocturnal driver
Who won't dim his lights."

Very appropriate; very timely. Let us set the example by dimming our lights—eventually some of these "dumb clucks" will realize that that is the courteous thing to do.

News of Yesterday ...

15 Years
Ago — 1925

FRIDAY, JANUARY 9, 1925

Arlington Heights

Mr. and Mrs. Arthur Kelling's little son fell and broke his leg and was taken to a hospital for treatment.

Mr. and Mrs. Fred Traub of Chicago visited his father and sisters here during the holidays.

Mr. and Mrs. Frank Bugbee went this week to visit their daughter and grandchildren, also Mrs. Bugbee's mother at Coldwater, Mich.

Mrs. John Crofoot returned home Saturday from Wisconsin where she was called to see her niece who is ill.

Mr. Paul Kolle of Arlington Heights gave a very enjoyable New Year's party at his home.

Mr. Charles Clausding died Monday, Jan. 5, aged 64 years, 4 months, 14 days and the funeral was held Thursday afternoon, Rev. Neack officiating.

Miss Hannah Tessmeyer visited in Palatine first of the week.

Mrs. LeVetter spent a few days at Winnetka.

Wm. Schweitzer, Jr., spent the holidays at Hobart, Ind.

Mr. and Mrs. Francis Pruegger of Chicago spent Sunday visiting Palatine friends.

Miss Anna and Mr. Harry Wick-ersheim spent New Year with their sister, Mrs. Ed. Ost, at Barrington.

A. G. Smith entertained his uncle, Prof. Merritt Fossler, of Oelwein, Ia. Friday night.

Mr. Fred Moser was born October 5, 1875 in Switzerland and died Friday afternoon, January 2.

Mrs. Fred Pollworth, Mrs. Henry Brockmeier and Mrs. Chas. Hauck were Chicago visitors Friday.

Miss Celia Schroeder returned home New Year's day after several weeks in West Suburban hospital and is able to assume part of her regular duties.

Mrs. Nichols and Mrs. Wm. Mess were hostesses at Dorcas on Thursday.

Mr. and Mrs. Hiram Brant visited the home folks last week.

Roselle

A pretty wedding took place at Rodenberg church Sunday afternoon when Miss Martha Luerssen became the bride of Arthur Leseburg of Palatine.

A. H. Weber, Fred Mensching, Wm. Lichthardt and Albert Juhnke with their wives, joined a real estate excursion and left Chicago by special train Saturday for New Orleans, Houston, Galveston, Brownsville and other points.

Mr. and Mrs. H. B. Schmidt gave a grand banquet at their home to the employees of the Farmers Cooperative Elevator company New Year's eve.

Louis Schmidt was born Jan. 15, 1840 in a log cabin which was built by his father on the farm one mile south of Bensenville and died Dec. 31, 1924.

Mr. and Mrs. Jess Capoot will move into their new home Feb. 1.

Mr. and Mrs. Ernest Sietkopf entertained many friends with a watch night party New Year's eve.

30 Years
Ago — 1910

FRIDAY, JANUARY 14, 1910

Arlington Heights

Born to Wm. Glade and wife a son January 4.

Mrs. Henry Doebring visited relatives and friends at Palatine Thursday.

Mrs. Rouse left Friday for her home at Delaware, Ohio, after a few months visit with her daughter, Mrs. C. A. R. Edgington and family.

Mr. and Mrs. Fred Wulf enjoyed a visit over Sunday from their daughter, Mrs. Leonard Thone, husband and daughter, Viola, of Chicago.

Miss Kate Rau, who has been staying with her brother, Geo. Rau, and family the past three months, has returned to her home at Pacific, Mo., where her mother is seriously ill.

Arthur Meyer returned from a happy and prosperous trip to Oklahoma.

Mrs. Richard Bray entertained the M. E. Missionary Society with a number of their friends at her home Monday afternoon.

Will Luerssen's infant daughter is quite ill.

Misses Kellogg and Stevers spent Sunday at the Gainer home.

Mrs. Smith of Meineny is visiting her daughter, Mrs. Kimball, this week.

Mrs. Henry Heide entertained her mother from Arlington Heights on Tuesday.

The Mystics elected the following officers Monday evening: A. G. Smith, Prefect; I. M. Kuebler, Monitor; G. F. Matthei, Banker; Henry Devermann, secretary; T. Kimball, Marshall; H. Devermann, Warden; and Roy Born, Sentinel.

Fred Theis recovered from appendicitis and is around some again.

A few friends visited at John Bernad's Tuesday in honor of his wife's 46th birthday.

Henry Heine, Sr., was remembered by a few relatives Sunday evening in honor of his 59th birthday.

Mrs. Caroline Lamprecht, wife of Ferdinand Lamprecht, took sick Dec. 31 and after great suffering, died Wednesday, Jan. 5, aged 44 years.

Jacobus & Schneider shipped a fine load of stock Sunday night.

August Wilke will build an addition to his barn. Frank Malluck will do the carpenter work.

A sleigh load of our joker players spent an evening at Wm. Rosenknecht's.

Allie Dohs will saw up his neighbor's firewood as soon as the snow will settle enough so he can move his engine and saw.

Karl Goltnermann has been to Minnesota looking at land where he and his family probably will make their home after March 1.

G. Gutche was in Chicago on business Tuesday.

Miss Clara Koebelman of Mont Clare visited with her folks here Sunday.

Mr. and Mrs. F. E. Allan are entertaining relatives from Silverton, Colorado.

G. F. Ernsting and wife of Galewood visited with his parents Sunday afternoon.

Henry Sprandel in company with his daughters, Amanda and Rosa, visited his brother at Hermosa, Sunday.

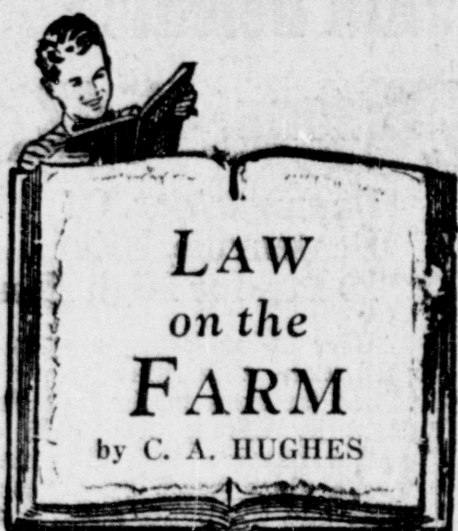

Government Interference With Religion Called 'A Step from Hitlerism'

Dr. Walter A. Maier of Concordia Seminary, who December 31 criticized President Roosevelt's appointment of a personal representative to the Vatican, said Sunday in his Lutheran Hour broadcast over 92 stations from coast to coast, "there is an unmistakable increase in our government's intrusion into religious life."

Dr. Maier recalled the address of former Secretary of Commerce Daniel C. Roper before the Ministerial Union of Washington as an example of a government official stepping out of his proper sphere to interfere in religion. "He asked the churches of America to forget their differences and establish joint national headquarters where leaders might be trained for cooperation with the government. He denounced those who cling to an adamant allegiance to Christ as 'causing men and women to despair and in some cases take their own lives.'"

Asserting "many of us want absolute loyalty to the gospel of Jesus Christ rather than cooperation with other groups and cooperation with the government," Dr. Maier

Mr. and Mrs. Eugene Fiedler spent Christmas with relatives at Savanna, Ill.

Interest Rates. — Farmers, as users of increasingly large amounts of credit, are affected by state laws regulating rates of interest.

In 1891 the Illinois legislature amended an earlier law of 1819 to provide that "... the rate of interest upon the loan or forbearance of any money, goods or thing in action, shall be five dollars (\$5.00) upon one hundred dollars (\$100.00) for one (1) year; and after that rate for a greater or less sum, or for a longer or shorter time, except as herein provided."

This law established 5 percent as a maximum interest rate only in cases where the parties had not definitely contracted for or agreed upon a different rate. Its main purpose was to change the common law rule that in the absence of agreement no interest could be collected.

In 1879 the legislature established 7 percent as the legal rate of interest. Any agreement to charge a higher rate of interest renders the whole contract, of which the agreed interest is a part, invalid. The courts have also held that the charging of a commission for making a loan which, when added to the interest rate charged, amounts to more than 7 per cent per annum on the money advanced is usurious.

The law requires that a contract in which 7 percent interest is provided must be written and that an oral agreement or an unsigned writing will bear only the statutory rate of 5 per cent.

There are three exceptions to the 7 per cent limit, however. First, when a corporation borrows money, it may agree to pay an interest rate in excess of 7 per cent. Second, when the loan is made of not less than \$5,000 repayable on demand, secured by warehouse receipts, bills of lading, certificates of stock, certificates of deposit, bills of exchange, bonds, or other negotiable instruments pledged as collateral security for its repayment, and when such is evidenced by writing, an interest rate in excess of 7 per cent may be charged.

Third, when a company is organized under the Illinois Small Loan Act, it may make loans of \$300 or less and charge as much as 3 per cent interest a month.

The first two exceptions would not affect a farmer unless he loaned money to a corporation or borrowed money in excess of \$5,000, pledging as security warehouse receipts, bills of lading or other negotiable instruments rather than grain or tangible chattels. The Small-Loans Act, however, has significance to farm people, inasmuch as many of them use the credit offered by small-loan companies. Such loans were discussed in a preceding number of this series.

Laws relative to interest rates may be found in the Illinois Revised Statutes, Chapter 74.

MOTOR CLUB WARNS ABOUT DELAYED BRAKING

Delayed braking... waiting to apply the brakes until his car is practically on top of a stop sign or red light... is one of the surest signs of a reckless driver, the Chicago Motor club points out.

Any driver who waits until the last moment to apply his brakes does so either because he is a bit too proud of his superior driving ability or because he is unwilling to slow down, according to the motor club. In either case an innocent victim frequently pays for the error with his life.

Travel in Switzerland
Switzerland makes its visiting motorists feel good on leaving by giving them without any tape a 30 per cent rebate in cash for the gasoline they have used on Swiss roads up to 66 gallons. When they say "Come again!" the recipient invariably answers "Sure, we will!"

said government interference with religion, and the participation of the church in politics, has produced nothing but misery since the days of Herod. He described the present trend in America as "just a step from Hitlerism," and urged that every attempted encroachment of government in religion be repudiated.

Dr. Maier announced that the Lutheran Hour now heard over a network of 92 stations and by means of electrical transcription, over 42 others, will be augmented February 1 by stations at Quito, Ecuador, and Manila, Philippine Islands.

Attorney For Grandt Bondsman Moves To Outlaw Complaint

In the suit of the Town of Wheeling against Henry Grandt Sr., and Albert Neuman, bondsmen for the late Supervisor Chas. Grandt, deceased, alleged to owe the town, Grandt's attorney has moved to strike the complaint because he alleges no cause of action is set forth also no dates are mentioned for the alleged shortages except that they occurred during ten years of deceased's term, thus perhaps making them outlived. The attorney for Neumann has filed a demand for a jury trial for his client.

PATENTS GRANTED

Patents have just been granted to:
Conrad Fatland, Mount Prospect, for an improved wringer mop.
Floyd Mann, Glenview, fish lure.
Harold G. Warr, Park Ridge, resilient railway spike.

WILLS FILED

GLENVIEW
In Probate court Fred J. Bretzmann of Evanston, has been appointed administrator of the estate of his brother, August Bretzmann, who died in Glenview intestate Sept. 6, leaving \$6,000. His heirs are two brothers and two sisters. Besides Fred they are Louis Bretzmann, Mrs. Ida Lass and Mrs. Amada Bueter, all of Glenview.

DES PLAINES

The \$3,000 estate of the late Mrs. Marguerite E. North, of Des Plaines, who died intestate Jan. 30, 1938, has just been admitted to probate. A son, Manson North, of Des Plaines, was made administrator. Her heirs are her husband, five sons and a daughter. Except for a son, Robert, living in Boston and daughter, Hester Gillet, in Chicago, her heirs all live in Des Plaines.

SCHAUMBURG MAN STRUCK BY SURFACE LINES BUS

As Joseph Brechenmacher, Schaumburg, passed a city surface lines bus at 7600 Irving Park blvd., his car was struck by the bus. Several Chicagoans were injured, though none seriously.

DEMOLISHES PORCH

Peter Louise, Chicago, ran off the road at River and Higgins rds. Sunday morning, striking and demolishing a porch of a tavern.

PALATINE CAR STRUCK

The car of Fred Moss, Palatine, was struck last Wednesday morning by a car coming from a private driveway as he was driving along Dempster, east of Milwaukee ave. The other driver involved was George Rossman of Niles.

DEERFIELD YOUTH KILLED IN AUTO ACCIDENT

Thomas F. Duffy, 23 years old of Deerfield, died in a Lake Forest hospital Saturday from injuries received Thursday night in an automobile accident which occurred in Lake Forest. Duffy got out to crank his truck and it was struck in the rear by an automobile driven by Andrew Jensen, a Lake Forest gardener. Jensen claims the truck tail light was out.

Cumberland-Irving Park Crash Injures Five

Failure to observe a stop sign caused the cars of Donald Hahn, Chicago, and Gottlieb Weidner, Chicago, to crash at the corner of Cumberland and Irving Park rds., New Year's morning.

Hahn, being driven by his wife and traveling north on Cumberland, failed to see the sign at the corner and struck Weidner's car, turning it completely around and throwing Mrs. Weidner clear of the car. She received cuts, bruises, and a possible skull fracture. Ruth Weidner, 12 year old daughter, suffered several broken ribs while the other occupants of the two cars were given first aid for minor cuts and bruises at the Northwestern hospital.

Behind Scenes In American Business

By John Craddock

New York, Jan. 8.—Business—Moving into the swing of things for a new year, business men try to weigh all factors with special care, and on a long-range basis. The final four months of 1939 were featured by glowing reports of booming activity in the manufacturing industries. While retail trade also showed gains in this period, the advance was by no means so spectacular. However, during the first quarter of 1940 the situation may well be reversed. Seasonal influences probably will restrict retail sales generally in the near future—compared with the heights reached in the holiday period—but increasing national income and gradually rising prices are providing the basis for moderate sales gains on the all-year basis. A fair estimate would be that in the first half of 1940 retail trade as a whole should at least continue the 5 per cent advance scored by 1939 over the previous year.

Washington—While industry's eyes and ears are keenly attuned to the Capitol, with the opening of the third session of the 76th Congress, to learn what the solons may do about budgets and business, our business doesn't have to worry about much, any more, is that old bromide that "business is never good in a presidential election year"—which, of course, 1940 is. Examination of the records dating well back into the past century fails to reveal any definite connection between business conditions and election campaigns. Actually, in the period for which reliable business indexes are available, the election years appear to have turned out a little better, rather than worse, than the others. So don't let any pessimists discourage you with that old saw—it's old fashioned, and unfounded.

Comfort Crusade—There must be thousands of men, all over the country, who would be a lot keener on keeping up-to-the-minute in the matter of their clothes if it weren't for the widely-held impression that to be smartly dressed they'd have to buckle themselves into uncomfortable and foolish duties. To these men and the merchants serving them, the formation of the "Sartorial Liberties Union" will be good news, for this group has dedicated itself to the principle that comfort is now the ally, not the enemy, of good style. Its spokesman, Fifth Avenue Tailor Tony Williams, leads off with the declaration that comfort and simplicity are now the keynotes of masculine style.

"Why," he says, "it's as silly to presume that America's best-dressed men must forgo themselves out in gray toppers, morning coats, double-breasted vests and choker Ascots as that they should wear high-heeled, continental type shoes instead of the typically American rubber-heeled oxford which nobody would think of giving up. I use the rubber heel as an example because probably no item of men's wear is less consciously considered yet, like most items in today's attire, it is designed for both style and comfort. Starting at the heels, the tide of comfort is moving rapidly upward as waist-bands loosen, pullover sweaters replace vests, and soft collars attain smartness once thought attainable only with high, stiffly-starched yokes."

Things to Watch For—More letters bearing transatlantic airmail stamps—the Clippers are now carrying about 200,000 letters across the ocean every week. . . . air-conditioning as a public utility service—Galveston, Tex., this year will establish the first community plant for producing and circulating cold water for this purpose. . . . a machine that automatically pits marmosine chews—heretofore these delicacies have had to be hand-pitted. . . . a rubber snow shovel—to which snow will not stick because it's coated with a slippery rubberized plastic. . . . a way to control the color and odor of flowers by coating the seeds with a latex cover containing the desired dye and perfume—so don't be surprised if you spot a rose-red orchid that smells like a lilac.

a Scriptural exhortation with a simple speed-up of the compound-interest theory, the Methodist church of Rockville Centre, Long Island, has attained a building fund nucleus of \$2,575 from an investment of \$500 in three months. Not very churchy to make money that fast, you say? Oh, but it was, and simple, too. Last October, 500 members of the congregation were handed \$1 each, told to "go forth and multiply." Each member turned to his own pet way of turning an honest dollar. One bought sheets of pewter and brass with his dollar, hand-wrought ash trays and other objects, and sold them. Another dug up an old family recipe for clam chowder, bought the ingredients with her dollar, and thus started a modest chowder-bottling sideline. Another bought photo film and paper, made photos of the minister, sold autographed copies. The pastor himself, Karl F. Moore, used his dollar to buy materials for making artificial fish lures; sells them with the sole provision that they not be used on Sundays. Who said a dollar doesn't go as far nowadays as it used to?

Pleasing Patrons Pays—One of the most marked trends in retailing the last few years has been toward appreciation of the importance of providing shoppers with pleasant surroundings, presenting goods in attractive settings. New evidence of how modernization along these lines can boost sales is noted by Oscar E. Dooley, president of the Business and Property Owners Association of America. He reports a rapid acceleration in store modernization projects throughout the country. Chain stores set the pace in this respect in 1939 with an all-time record expenditure of \$130,000,000, while sums spent by land-lords in preparing property for chain store occupancy came to an additional \$24,000,000. Biggest percentage increase in chain renovation was in the food field. His report noted that this upward trend was paralleled by gains in chain store sales with 30 representative organizations showing sales increases of approximately 10 per cent for the year, compared with a rise of less than 7 per cent in general retail trade.

Things to Watch For—More letters bearing transatlantic airmail stamps—the Clippers are now carrying about 200,000 letters across the ocean every week. . . . air-conditioning as a public utility service—Galveston, Tex., this year will establish the first community plant for producing and circulating cold water for this purpose. . . . a machine that automatically pits marmosine chews—heretofore these delicacies have had to be hand-pitted. . . . a rubber snow shovel—to which snow will not stick because it's coated with a slippery rubberized plastic. . . . a way to control the color and odor of flowers by coating the seeds with a latex cover containing the desired dye and perfume—so don't be surprised if you spot a rose-red orchid that smells like a lilac.

Germany Conquers Sea
At Husum, "the city by the sea" in Germany, the visitor may see that Germany as well as Holland has learned how to conquer Old Man Ocean with dikes and locks in a stupendous job of reclaiming once wave-washed land for the Fatherland.

MOVIE NEW What's on the SCREEN This WEEK

Bumsteads In Trouble Again In 'Blonde Brings Up Baby'

Once a Bumstead... always in trouble. Dagwood's been fired again... and now he's under arrest! Baby gets lost trying to find Daisy! Blondie's teaching Baby his ABC's.

Bringing up Baby is loads of fun... at least for the neighbors! And for Catlow Theatre audiences, where "Blondie Brings Up Baby" opens on Friday. Hectic exploits of the famous screen and cartoon strip family result in even faster

and more furious fun in the fourth of Columbia's sensational popular "Blondie" comedies. The new adventure exceeds even "Blondie," "Blondie Meets the Boss" and "Blondie Takes a Vacation" in speed, laughs and heart interest.

From the only three-time winner of the Academy Award comes his supreme triumph... Frank Capra's "Mr. Smith Goes to Washington," a picture carved out of the everyday lives of everyday Americans... "Mr. Smith Goes to Washington" possesses the drama of a great democracy in action. The conflict of a young idealist and entrenched greed. The laughs that always lurk behind a struggle. The romance of a homespun boy and a "hard-boiled" girl. It's the newest... and greatest... of all Capra hits.

"Mr. Smith Goes to Washington" opens on Sunday at the Catlow Theatre for a four day engagement with Jean Arthur and James Stewart co-starring. The lovable stars of Capra's prize-winning "You Can't Take It With You" are teamed now as an earnest young appointee to the United States Senate, where he becomes entangled with a vicious political machine, and his cynical, Washington-wise, political-weary stenographer.

Joel McCrea Stars In "Espionage Agent"

As timely as today's radio news flash is "Espionage Agent," latest in the Palatine Theatre's winter hit parade of Warner Bros. productions. The film, which will open at the Palatine theatre Sunday for three days, depicts the breath-taking adventures of Uncle Sam's foreign legion, the agents who protect this nation against the secret plots of belligerent countries. Joel McCrea and Brenda Marshall are co-starred, with Jeffrey Lynn and George Bancroft heading the supporting cast. Lloyd Bacon directed.

From A to Z

Lovely Alice Faye, starred with Don Ameche in Darryl F. Zanuck's production of "Hollywood Cavalcade," runs the gamut of Hollywood history from bathing beauties, custard-pie comedy and heavy romance to talkies and world premieres. The 20th Century-Fox Technicolor film plays Sunday, Monday and Tuesday and is co-featured with "Espionage Agent" at the Palatine Theatre.

No sooner do the Jones Family return from Hollywood (where they went via trailer in their last 20th Century-Fox comedy) than they get a telegram informing them that they have just inherited a gold mine and have to be at Grand Canyon in four days to claim it. It is the start of a lode of fun in their latest picture, "Quick Millions," which plays this Friday and Saturday at the Palatine Theatre.

Mickey Rooney's New Film Now At Des Plaines

"Babes in Arms," musical smash hit from the stage has been made into one of the big film successes of the new season, co-starring Mickey Rooney and Judy Garland. The picture is currently showing at the Des Plaines Theatre, winding up a three-day run on Saturday night. A balanced supporting program of short subjects, including the latest issue of Paramount news completes this grand show.

On Sunday "The Cat and the Canary" and "Thunder Afloat," a really big double feature attraction, opens for a three day run. Stars in the mystery-comedy hit, "The Cat and the Canary" are Bob Hope and Paulette Goddard. Wallace Beery and Chester Morris are

Patsy Montana, WLS Star At Arcada Sunday With 5 Acts of Vaudeville

A little singing cowgirl, Patsy Montana, has sung her way right into the hearts of hundreds of thousands of radio listeners. Many folks write her that they can't enjoy their breakfasts unless their radio is tuned to Smile-A-While time, so they can hear "Patsy's" cheery songs and yodels. Patsy will be wearing her famous cow-girl outfit when she appears with five acts of loop vaudeville at the Arcada Theatre, St. Charles, this Sunday.

Patsy isn't just a city girl dressed up in dude rancher's clothes. She's a real rodeo-ridin' cow-girl. She spent several years in the west where she rode in the great roundup at Pendleton, Oregon, in addition to riding in several rodeos staged by Hoot Gibson at his ranch in Sausalito, California.

Her first radio appearance was made from a horse back at a rodeo. She was featured with Al Pearce and his gang on KFI, Los Angeles, and appeared with the Prairie Ramblers at WOR, New York and WLS, Chicago.

The feature attraction for the day will be Lew Ayres and Lionel Barrymore in "The Secret of Doctor Kildare."

The leading players in "Thunder Afloat."

Vaudeville Stars Turn Back Clock

Fifteen of vaudeville's topnotch performers turn back the clock from fifteen to thirty years and appear as they were in their heyday in "Babes in Arms," starring Mickey Rooney and Judy Garland, which plays Sunday, Monday and Tuesday at the Arlington theatre. They play themselves in the picture.

Among those who appear are Charles Winninger, Irene Franklin, Harry Fox, Grace Hayes, George McKay, Joe Catts, Margaret Young, Patsy Moran, Neely Edwards, Kay Des Lys, Lila Taylor, Rube Demarest, Henry Rockmore, Lila Bliss and Pat West.

"Babes in Arms" is the screen version of Rodgers and Hart's Broadway success. Busby Berkeley directed.

and other Oriental diseases arising from the crowding of war refugees has prompted the American Red Cross to rush two American physicians to Finland to work with health authorities of that nation, Chairman Norman H. Davis has announced.

Chairman Davis revealed that the two specialists had been dispatched to the small northern country less than a week after the Red Cross allocated \$250,000 for the purpose of Finnish relief supplies. A similar amount previously had been set up for relief in German-occupied Poland, as well as smaller allocations to the Red Cross societies of England, France and non-belligerents which have assumed the responsibility of harboring refugees.

Both physicians en route to Finland are representatives of the U. S. Public Health Service who were on foreign duty in Europe when hostilities broke out, Mr. Davis said. Dr. Vance B. Murray has been taken from his post in Berlin, while Dr. H. A. Spencer was called from duty in Paris.

Mr. Davis explained that the \$250,000 fund would be used for the purchase, by the American Red Cross, of medical supplies, garments and miscellaneous articles needed to meet the emergency. Ten ambulances will be included in an early shipment to Finland from this country.

Meanwhile, thousands of Red Cross chapter volunteers in this country continued the production of refugee clothing and surgical dressings. Miss Mabel T. Boardman, national chairman of Volunteer Service, said 204,000 garments and 1,784,000 surgical dressings were shipped to Europe as of January 1. She

explained the majority of the garments will go to Finland and Poland, where the needs are most urgent.

War relief contributions to the American Red Cross neared the \$400,000 mark on January 1, Mr. Davis said. He pointed out, however that this figure represented an incomplete return as all remittances from chapters had not been forwarded to national headquarters for auditing.

STATE OF ILLINOIS, County of Cook—ss.
I, A. H. Franzen, cashier of the above-named bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.

A. H. FRANZEN, Cashier.

Correct Attest: Carl H. Ewert, J. G. Wagner, Carl W. Lussman, Directors.

Sworn to and subscribed before me this 8th day of January, 1940.

(SEAL) LILLIAN PLASS, Notary Public.

New Year—New Leaf— Why Not New Car?

THE slate's clean, the past is past, you're making a new beginning on a new year you hope will be happier and finer and richer—how about doing the job up right?

You spot the fun possibilities in this brilliant and buoyant Buick just by watching it flash by, but have you been in to try it?

Do you know what it's like—first hand, we mean—to have a hundred-plus Dynaflex horsepower waiting your treadle-foot's nudge? Have you sampled the thrill in such an engine micro-poise-balanced to smoothness a wrist watch can't hope to equal?

Today's winter-roughened roads give you swell chance to try out Buick's gentle ride—raw weather emphasizes the stout snugness of Unisteel Bodies by Fisher and the convenience of the Flash-Way Direction Signal.

Now's when you most need firm new rubber—sure, soft, tiptoe brakes—Buick's automatic choke—stout, taut frames and rugged bodies, and why wait for spring to buy beauty that gives your spirits a lift?

Then too, driving speeds are naturally lower now and driving distances shorter, making this the best time of all to get a car properly started in life.

So figure it out! It's a new year. You've turned a new leaf. Ask your Buick dealer what a new Buick will cost you now—and let every month of 1940 contribute to a happy new year!
